

VIKING

**THE  
1962  
VIKING**

HOOVER HIGH SCHOOL  
North Canton, Ohio

# **FOREWORD**

We of the Viking yearbook staff take pleasure in presenting this edition.

To the underclassmen as well as the seniors, we sincerely hope this book will serve as a storehouse of memories—memories for the future which we patterned here—memories of the varied experiences which helped fashion our characters—memories of the learning which developed our ability to think—memories of enjoyable companionship with the many social relationships—memories of a most important foothold on the climb of life.

As we stand now, and as we will stand in the future let us—

*REMEMBER—The value of time.  
The success of perseverance.  
The pleasure of working.  
The dignity of simplicity.  
The worth of character.  
The power of kindness.  
The influence of example.  
The obligation of duty.  
The wisdom of economy.  
The virtue of patience.  
The improvement of talent.  
The joy of originating.*

E. R. Malone  
Superintendent, North Canton City Schools

## SUPERINTENDENT OF SCHOOLS

Serving as general administrator of the North Canton Public School system for his seventh year is Mr. E. R. Malone, superintendent of schools. Coming to North Canton in 1954 from Copley, Ohio, Mr. Malone has administered and encouraged the growth of North Canton schools with favorable results.

Mr. Malone received his B.S. in Education from Ohio Northern University; he later earned a Masters degree from Akron University.

Mr. Malone's foresight, never-ending vigor, and engaging smile have been inspiring and heartening to both faculty and students. This civic minded educator is one of whom the community is indeed proud.

Mrs. Pearl Brown  
*Secretary*  
Superintendent of Schools

Robert P. Braucher, President  
Richard E. Davis  
Morgan B. Hamlin, Clerk

Robert L. Kreighbaum  
Yale S. Strausser  
Dr. Richard Werstler, Vice President

Count not the long seconds,  
For youth can not wait,  
But moves only forward  
To keep destiny's date.

... How welcome was the warmth of our destination.

Remember the tediousness of formalities.

# **OUR STRONG BAND . . .**

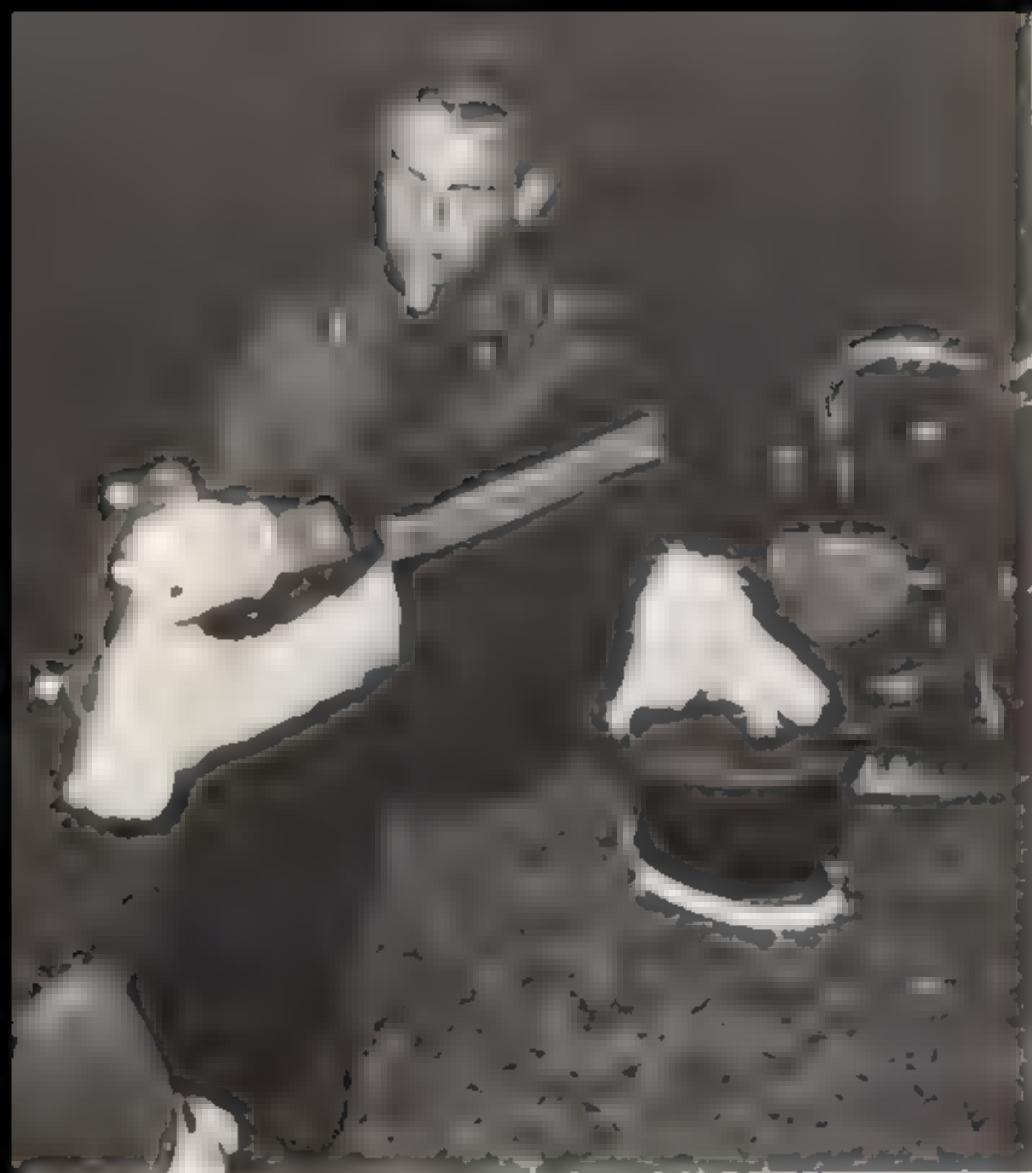

*In the beginning it was this way  
The familiar mixed with the unfamiliar  
The newness that is strange  
And frightening and funny  
This is the beginning of memories*

*People are the basic element—  
People to laugh with, to talk with,  
Yet, things are needed, too—  
Things to learn, to see, to smell  
Books, paper, wax, ink, and chalk—  
The clang-hang of lockers and  
The endless cards triplicate*

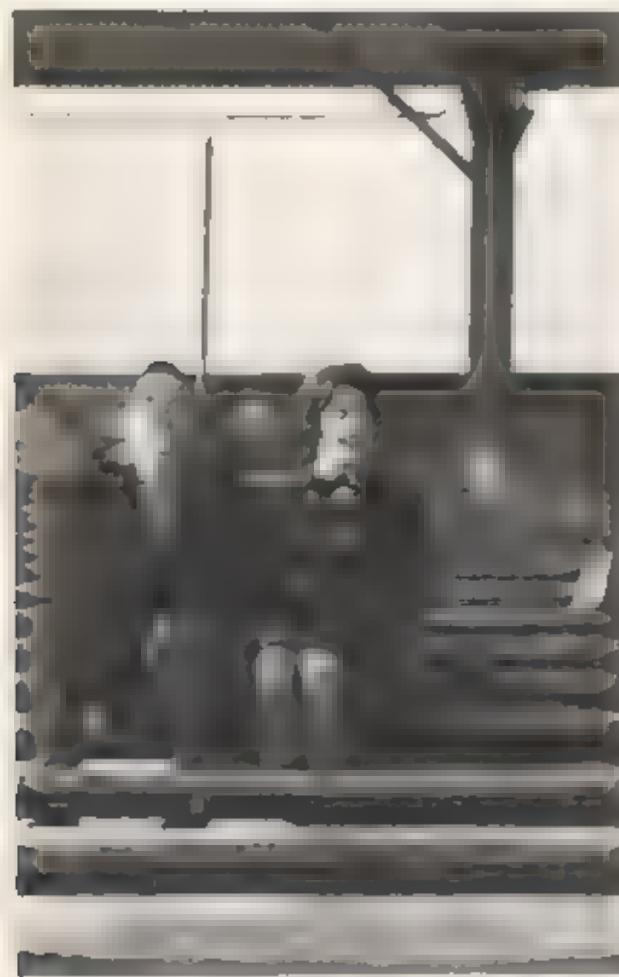

*Now we are at the future's doorway  
This is the beginning,  
Where memories are made  
And in the making  
Time is the essence of memory  
Remember the times*

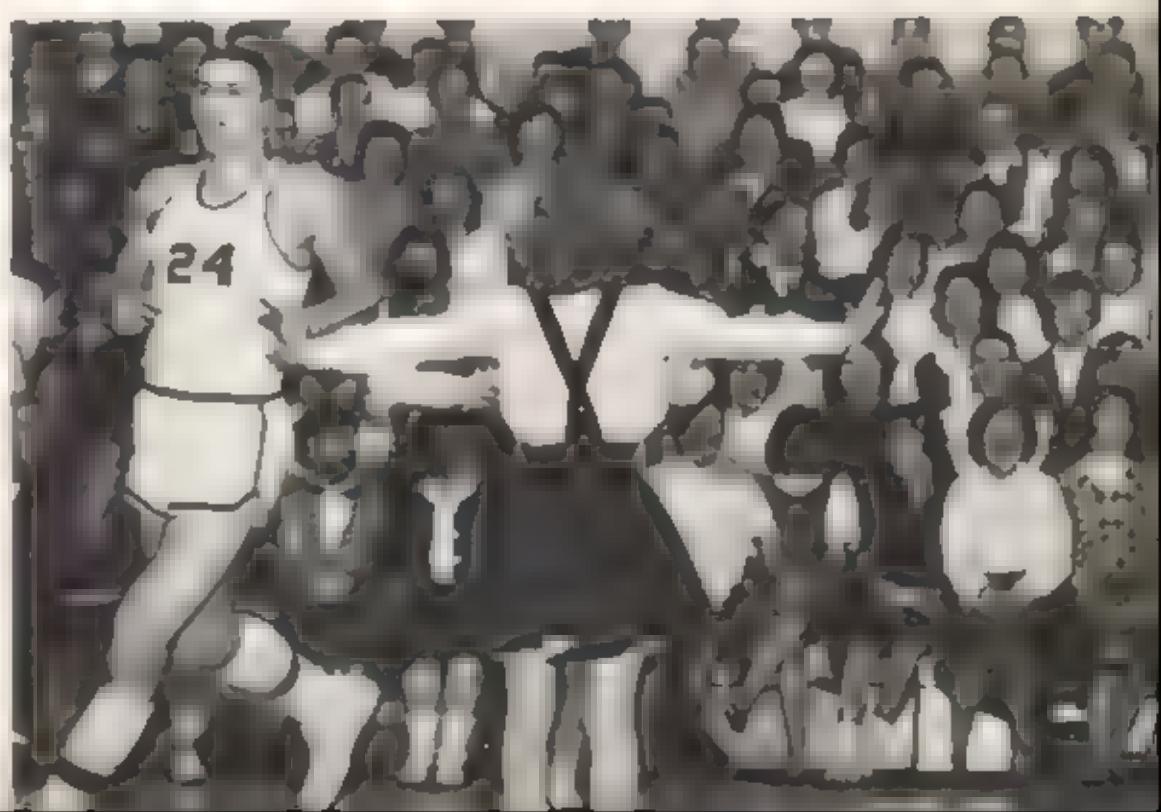

Remember The Value Of Time

Yesterdays

Alone in I yet crowded with memories

# CAN NE'ER BE BROKEN . . .

Remember how we cheered our team to victory.

*—When we went to the games  
Whether we sat on the cold bleachers  
Under the bright silent stars  
And were glad to be part of  
The shifting colors and vivid intensity  
Or whether we were packed  
Under the brilliant, arched roof  
Listening to the competent sound  
Of the ball flying down court  
We cheered our strength and youth  
Felt our collective joy  
In winning and were  
Close together in our pride*

We're the Hoover Vikings . . . and we're proud of it!

# **FORMED AT HOOVER HIGH; . . .**

*We gathered together to sing as one  
We worked together to fulfill our dreams  
We spoke together to convey our joy  
Yet all that we did was not done alone  
We needed the guidance willingly given  
That guidance that takes us to an end*

*We will remember these days with gladness,  
Or perhaps even a tear  
Their memory will ever be with us  
To guide us and to give us hope*

Remember the power of knowledge

the influence of example

*Remember the value of contemplation.*

The stock market is changing

*The favorite subject: full-lunch hour*

Remember to play your best music

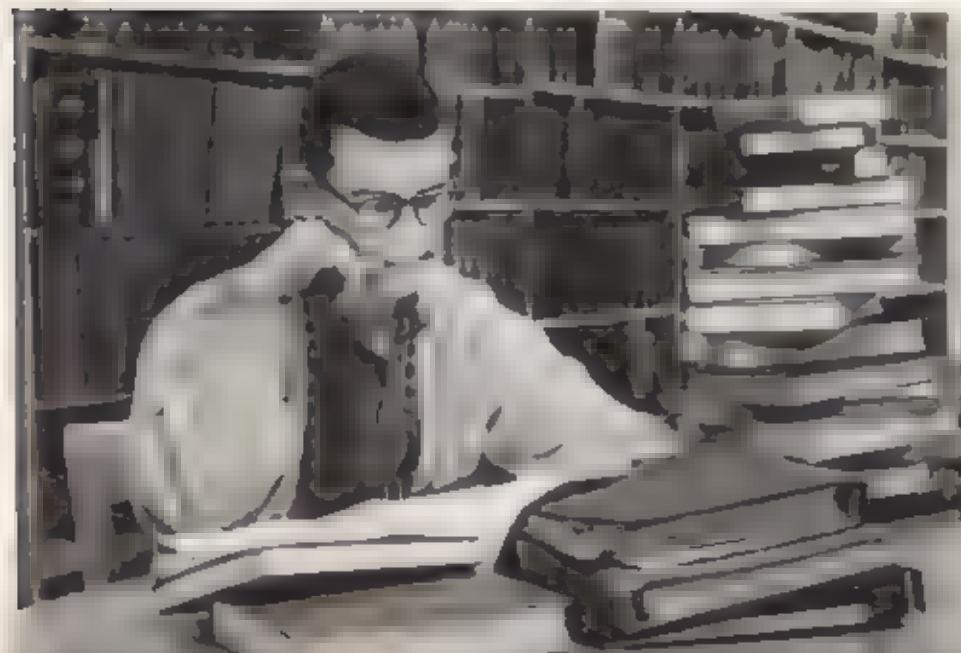

## FAR SURPASSING WEALTH UNSPOKEN,

To stand on the brink of time  
Like all things in youth  
Is both frightening and pleasant  
To step forward as adults  
Is a big step, and yet  
We do not stand still  
This is the sweetest moment  
Of all sweet memories—

When we may hesitate  
And look back with pride  
And perhaps with laughter, and  
Perhaps a few sentimental tears  
Let us look back  
On our memories. And then,  
Having so looked,  
Step proudly forward

the pride of accomplishment

the success of perseverance

**SEALED IN  
FRIENDSHIP'S TIE**

YOUTH WILL DRAG THE STARS  
DOWN TO THE HANDS OF MEN.  
DREAMS WILL BECOME REALITY,  
WHENEVER YOUTH AWAKENS THEM

## *ACTIVITIES*

President Bill Swope and fellow club members discuss "Time for a future project."

ROW ONE Bill Swope, Carl Beagle, Mengie Crabb, Mark Scott, Dick Severson, IV, Kyle Mr. Hulse, a senior, Tam Almane, LCW TWO Nancy O'Connor, Kelly Whitman, Lon Gaumer, Ken Steiner, Jim Duke, Dick Severson  
ROW THREE, Denny A. Lutz, Marie Kvistad, Marlene Mills, Karin Zane, Gina Weller, Drew Poretsky, Gary Anderson, ROW FOUR Steve Paul, Ann O'Connor, Nancy Williams, Doug Williams, Randy Hilscher

The Co-ed touch football team for Hoover.

Student council leads the student body in returning books to the library.

## STUDENT ACTIVITY

The democratic ideals upon which the United States is founded are far reaching. Their influence extends to all organizations which make rules and regulations for a number of people. Hoover High is no exception.

The student council serves as a link between students and faculty members to promote a better system of cooperation and understanding. Under the direction of Mr. Don Lathue, the council discusses school problems and projects. This year it initiated the Anti-litter Campaign.

## **PRESENTS . . .**

"We gotta win, we gotta win!" scream 900 Viking students. To help bring team victories is the purpose of the Booster Club, advised by Mr Armstrong. Comprised of members of the student body, Jim Koons and Andrea Mangold are at the helm as co-presidents. Through the club, a student is able to express his desire that all Viking teams do their best.

As part of this year's activities, the Booster Club distributed Viking-Head decals and sponsored the second annual Booster Club Dance. The club sponsors the Annual-Signing Party.

Booster Club officers prepare for Viking decal sales. LEFT TO RIGHT: Tom Marana, Carol Bream, Jim Koons, Andrea Mangold and Richard Armstrong

Booster Club members cheer the team onward

## OPPORTUNITIES

Character, Scholarship, Leadership, Service. This is the basis on which National Honor Society members are selected. No other recognition presented by the school excels the honor of being tapped for NHS membership.

Rabbi Paul Gorin spoke at the March 22nd assembly at which the following twenty students were inducted into the society.

Seniors tapped were Mary Arnold, Ronald Deibel, Sandra Foster, Pam McAnall, Robert McElwee, Linda Ross and Lorin Sickafous.

Three juniors, Randy Hilscher, Judy Greene and Margaret Ross were chosen.

From the sophomore class were Beverly Kepler, Tim Edwards, Dale Bishop, Jimmie Dick, Dick Hildesheimer, Beth Sponseller, Russel Dugay, Gwen Spence, Dennis Anderson, and Tom Artzner.

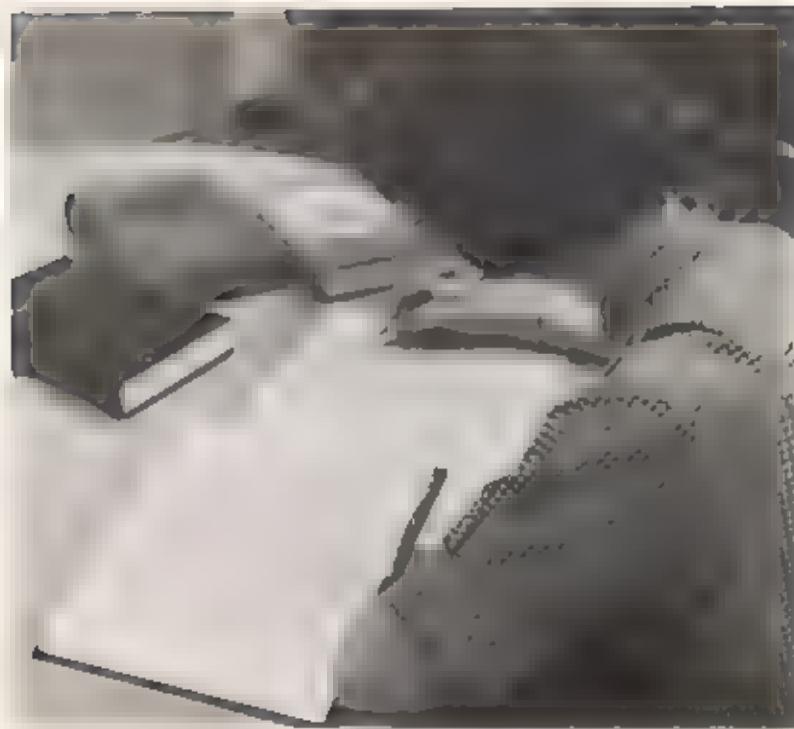

THE NATIONAL HONOR SOCIETY OFFICERS AND ADVISOR. Left to right: Karen Grant, secretary; Mrs. Arndt, adviser; Gary Anderson, president.

NATIONAL HONOR SOCIETY ROW ONE (Left to Right) Jerry Kildor, Bud Swope, Ace Gilbert, John Joliet, Susan Wagner, Jim Almoe, Betty Abel, Bev Kepler, Gwen Spence, Marsha Matson, Susan Heimann, Lynn Dick, John Horber, ROW TWO: Ross Deibell, Judy Greene, Judy Alber, Linda Bishop, Karen Grant, Marcia Perdue, Bonnie Fiedorek, Andrea Mangold, Linda Ross, Sandy Foster, Bill Sponseller, Ann Palmer, Nancy O'Connor, Martha George, Patty George, Margaret Ross, Donna Harrison, Ronald Deibel, Dale Bishop, ROW THREE: Mrs. Arndt, Mary Arnold, Pam McAnall, Jim Sack, Gary Grammlauer, Robert McElwee, Thomas Meldott, Jerry Eck, Tom Edwards, Ronald Hilscher, Robert Snyder Jr., Gary Anderson, LeAnn Herderstad, Carl Martin, II, Dennis Anderson, Thomas Artzner, B. Michael Keyes, Philip Stutz, Roger Kulp, Alan Burkhardt, Larry Jackson, Ed Piper, Janet Berkblie, Margie Tiffet.

## TO PUT . . .

Many hours of study are spent in preparation for the scholarship tests

Competing for honors in specific subjects, Hoover students annually take scholarship tests sponsored by the State of Ohio. If a student places in a subject in the top three in the school, he is then allowed to compete for state honors at Malone College. For many years, Hoover High School has been represented by many superior ratings of its students in the state.

SCHOLARSHIP TEAM  
ROW ONE: (Left to Right): Carol Lindenberg, Donna Harrison, Frances McNees, Karen Grant Ann Palmer, Marcia Perdue, Bettie Abel  
ROW TWO: Marge Tift, Marsha Watson, Jerry Kidder, Linda Linn, Gwen Spence, Ted Linn, Tom Anderson, Jim Piper, Phil Shultz.  
ROW THREE: Dale Bishop, Ann Gilbert, Susan Deten, Sandy Walters, Edward Davidson, Beth Sponseller, Jane Andrews, Bonnie Fiedorck, Lynn Burns.  
ROW FOUR: Michael Ross, Ronald Deibel, Dick Heacock, Tom Edwards, Tom Mundorff, Dick Smith, Al Dervin, Jerry Eck, Win Couper, Gary Grembauer

Preliminary tests precede the trip to Malone College

These are the girls who collect the absence lists.

SEATED: Ann Palmer, Kay Mitchell, Nancy Williams, and Jeanne Mills. STANDING: Sandra Takis, Marlene Lewis, Nancy O'Connor, Karen Messerly, and Marsha Matsen

## INTO PRACTICE

The office assistants are the group of girls who perform invaluable duties for Mr. Armstrong, Miss Studer, and Mr. LaHue.

Mr. Armstrong's assistants help with his guidance work by filing, typing, and performing other duties he assigns.

The two girls who work with Miss Studer assist by typing, answering the telephone, duplicating, and mimeographing.

The major activity of the eight attendance office assistants is collecting the absence slips and recording them on the daily attendance reports.

The voluntary time and effort which these girls put forth is two fold. It increases the efficiency of our school administration as well as gives practical experience in office work.

Jane Collier and Pat Snyder learn office procedures under Miss Studer's guidance.

Pat Starr, Janet Kearns, and Sharon Covair assist Mr. Armstrong in the guidance office

### **GAINED THROUGH. . .**

To teach is to engage in a continuing search for learning. Future Teachers of America is organized to show its members the elements of teaching and the value of education in a democracy.

FTA endeavors to interest good students in becoming teachers, to explore the field, and to develop the beginnings of professional attitudes among these prospective teachers.

"Teaching from kindergarten to college" was the theme for the club's programs. Speakers from many areas gave members a new insight into teaching as a career.

Hi-Y'S ROW ONE (Left to right): Bill Wirth, Jim Wayne, Bob Bar, Early Strausser, Frank Southworth, Dick Scharver  
ROW TWO: Craig Mason, Paul Dannemiller, Tom Tinhe, Kenny Wise, Thomas Shultz, Richard Johanning, Timoth Stewart, Gene French, Ed Klemm, Paul Tikva, Steve L. Johnson, Dan Travis, Joe Painter  
ROW THREE: John McKinney, Bill Burtz, Tom Artzner, Mike Schell, Mike Atchison, Jim Johnson, Jim Hulbert, Mike Kase, Larry Jackson, Lee Snyder, Jim Evans, Rick Schwane, Jim Robertson, Stan Williams, Tim Selinsky, Bud Swope.  
ROW FOUR: Dave L. Erickson, Bill Nickell, Charles Hubler, Patrick S. Dewey, Ned M. Schaefer, Bill M. Schaefer, Tom M. Schaefer, Bruce Castle, Rick Ditch, Ken Bricker, Park Schafer

Craig Ebbland, Harry Grant, Jeff Stipes, Bob Tuckey, Tom Danner, Tom Mandorff

ROW SIX: Dick Smith, Dick Snider, Sandy J. Bower, Beck Bier, Tim Shulley, Ed J. Hart, Lorin Sickafus, Carl Martin, Randy Hilscher, Garry Fisher, Dick Heidershot, Doug Williams, Jim Malone, Bob Norris, Mike Willaman, Jerry Eck, Ralph Smith, Dennis Forney, Dennis Morgan, Gary Neuman, Larry Rohrbaugh

The Y-Club council co-ordinates the efforts of the Hi-Y and the Hi-Y

## SCHOLASTIC

The Hi-Y's have participated in various activities this year. The clubs sponsored dances, listened to speakers, and sent delegates to the Northeastern Hi-Y Conference. They also had two members qualify for the eleventh annual Y.M.C.A. legislature which was held in April.

## *ENDEAVORS.*

In 1914, the H. Y. C. of friends, the individualists, met weekly on religion, good government, and social progress. These clubs also had their clubs for boys.

The meeting of S. Ball and the donations to the Workmen's Order were carried out by the H. Y. & D. Y. clubs.

The Y.C. at Goshen which is composed of the  
men of all the clubs organized the Basketbrawl  
and the Y.C. at New Haven.

Everyone Helps at Homecoming

## HOOTONING

Miss Karin Zane, 1961 Homecoming  
Queen

## ADDS GLAMOUR

Homecoming is an important highlight of the football season to Hoover students and alumni. The weekend of homecoming is filled with many traditions—the thrilling football game, the crowning of the queen and her court, and the dance held in honor of our royalty and our football team.

The 1961 Homecoming Queen, Karin Zane, was crowned during the pre-game ceremonies by the last year's Queen, Deanna Wise.

The Vikings walked off with an 18-8 victory over the Marlington Dukes. Although the game was played in a steady downpour neither the teams' nor the crowds' enthusiasm was dampened by the rain.

The auditorium, decorated for the Homecoming Dance November the 4th as a football field, was a proper setting to honor our victorious team, Queen Karin and her attendants, Karen McEwen, Glyn Warstler, Bonnie Smith and Sondra Preda.

It couldn't be a nice dance

West. Glynn Warstler and Sally  
Preston

# C'est Magnifique!

"C'est Magnifique!" The night was April 29, the setting, Hoover High School auditorium which was magically transformed into a Parisian sidewalk cafe. Checked tablecloths, French menus, and old-fashioned candles made from Chianti bottles decorated the tables. Murals of French shops and homes, the result of countless hours of work by the Junior Class lined the streets.

Five sophomore girls, costumed as French waitresses, served refreshments throughout the evening. Music was provided by Eddie Jeunemann's orchestra.

Two girls, honored as co-queens, reigned over the gay festivities. Helen Smith, chosen by the Seniors to represent their class, was escorted by Ron Maruna. Tom Mundorff escorted Martha Pontius, the Junior's favorite.

The traditional after-prom party, sponsored by the parents of the Juniors and Seniors, was held at the Canton YWCA. Plenty of activities, spiced with pizza and coke, served to rejuvenate and nourish the now weary couples.

Picnics at Virginia-Kendall Park and Nelson's Ledges on Sunday ended the very memorable weekend.

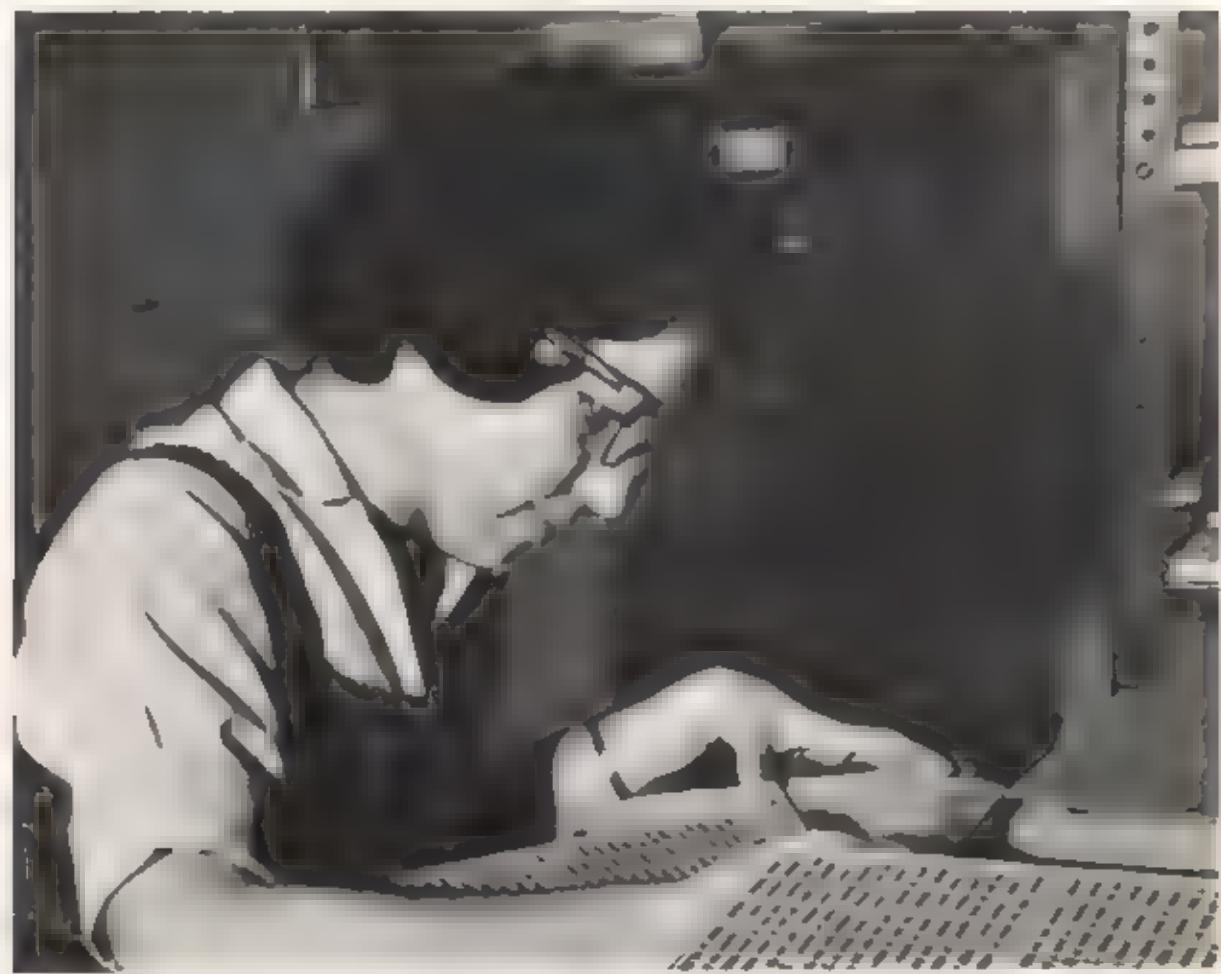

Just don't let them dance!

Helen Smith and Martha Pontius reign over the Junior-Senior Prom

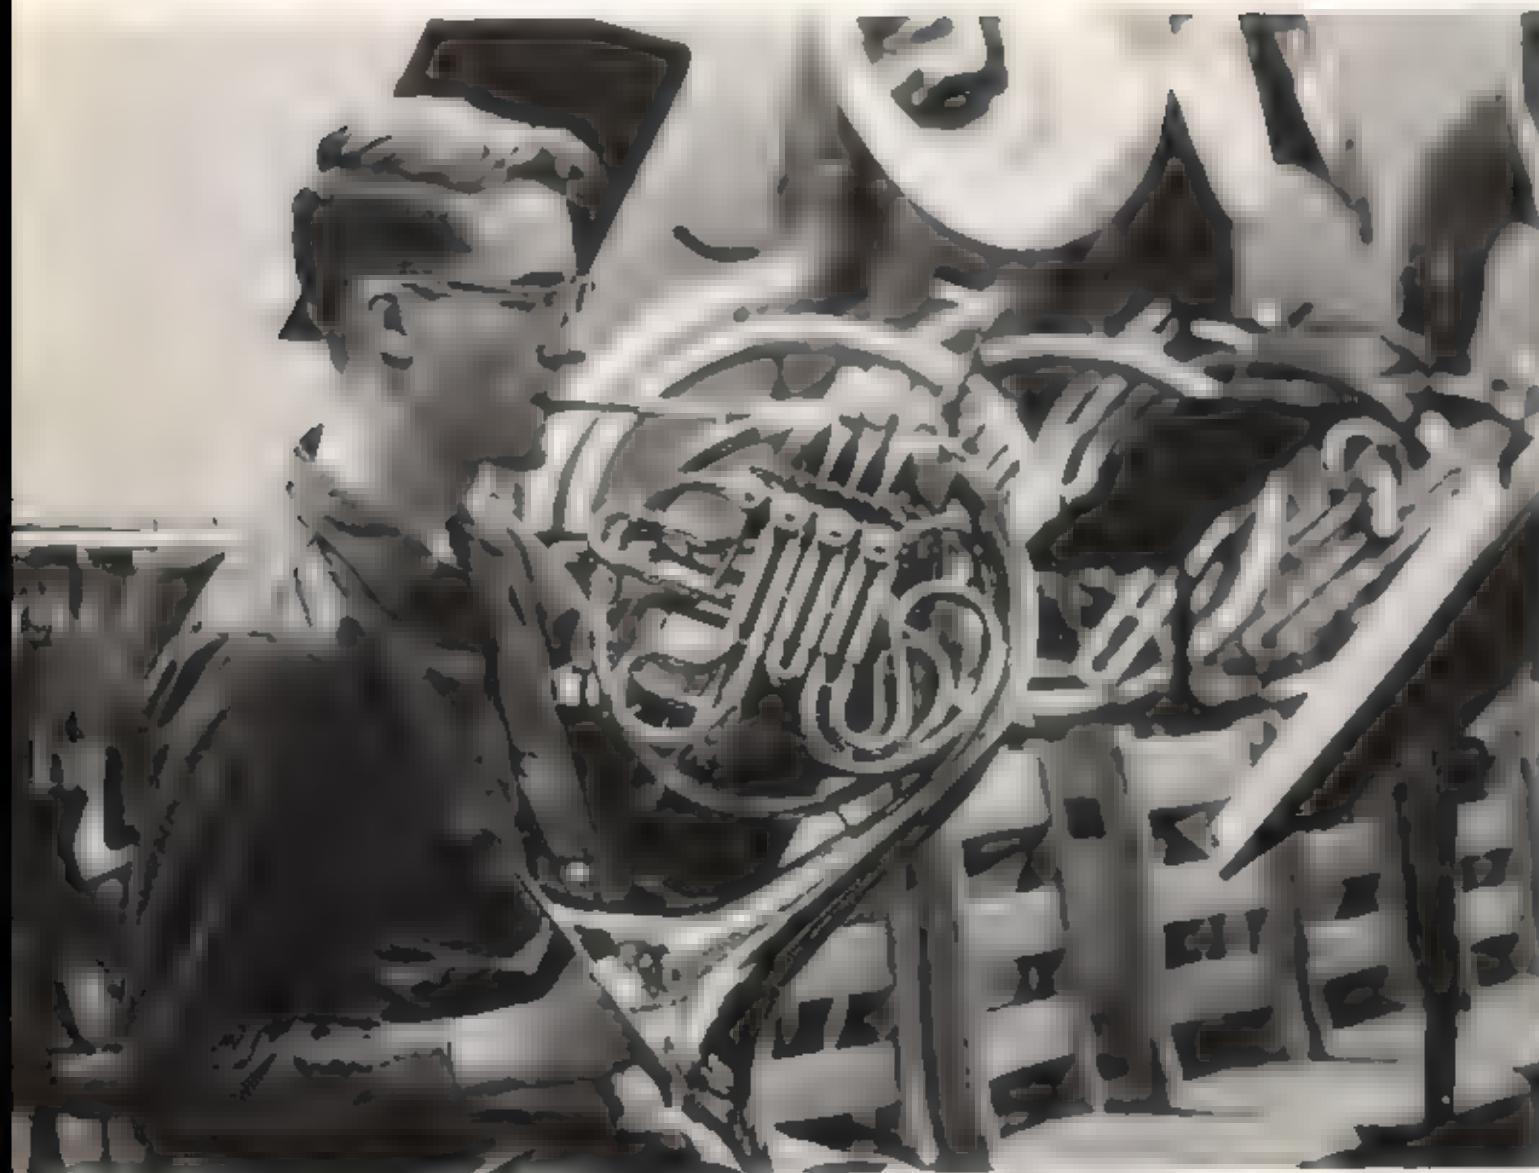

Only 150,000 more flowers to go!

# *ACADEMIC*

## EDUCATIONAL

H. WAYNE RUSSELL, Principal

A.B. Defiance College  
M.A. Ohio State University  
Ohio Northern University

### A WEALTH OF

Mr. Russell works with his faculty in improving departmental course study.

Scheduling is an all summer's task

MABEL STUDER  
Secretary, High School  
Principal's Office; A B  
Bluffton College  
Actual Business College

The high school has had the service of three secretaries during the year.

Miss Mabel Studer, who has been with the school system for a number of years, has continued her long hours of excellent service to the school. Among her responsibilities as Mr Russell's secretary are the handling of all correspondence going out of the principal's office, permanent records of student averages and activities, athletic eligibilities, working permits, registration of new students, typing of schedules, ordering of supplies and textbooks, and keeping the books of activity and board of education monies going through the principal's office. As a service to the faculty, she handles class room supplies and does typing and duplicating of class room materials.

## BACKGROUND AND

Mr. Don C. LaHue serves the high school as assistant principal, student council adviser, and mathematics teacher. He is in charge of the daily attendance report and has convinced many a wayward soul that school is a very necessary institution which should be attended regularly. He works closely with the principal in curriculum scheduling.

Mr. LaHue received his B.S. in Liberal Arts, B.S. in Education, and Masters in Education, all at Kent State University. Special courses in mathematics were taken at the Illinois Institute of Technology.

## EXPERIENCE PROVIDE . . .

PAULINE KOLP  
Secretarial duties in the  
guidance and library  
offices

VALERIE TUCKER  
Secretary to Mr. Hamlin  
Board of Education and  
high school offices

Mrs. Valerie Tucker's time is divided with Mr. Hamlin's office, in the Board of Education offices and the high school assistant principal's office. As Mr. Hamlin's secretary, her work is with the payroll and Board of Education bills. In Mr. Laffue's office the handling of attendance records and other duties as specified. Students will remember her as cashier in the cafeteria.

Mrs. Pauline Kolp was added to the staff this year. Her time is divided between the Guidance Department and the Library offices.

## A CURRICULUM OF

Mr. Armstrong, head of the Guidance Department aids students in preparing for life after high school graduation. This covers many phases of a student's life—adjusting to high school curriculum, considering higher education, selection of a college, admission to college, scholarships, or perhaps securing employment.

The Guidance Department is headquarters for the Testing Program, freshmen through senior. Mr. Armstrong is assisted in senior counseling by Hope Marquardt and Robert Dobson.

Achievement and aptitude tests are interpreted in class groups and individually. Mr. Armstrong also holds optional private conferences with students and parents as questions arise.

College representatives familiarize students and parents with advanced education.

RICHARD ARMSTRONG  
*Director of Guidance*  
Adviser, Booster Club; Faculty Manager of  
Athletics; Assistant Football and Assistant  
Track Coach, B.A., Baldwin Wallace Col-  
lege; M.A., University of Akron.

The Ohio State Psychological Test  
is an aid in interpreting  
student's abilities

The classroom guidance program begins by orienting freshmen in the ideals and practices of high school life. Multiple Aptitude tests are taken early in the year. Freshmen can count on the advisers to assist them as problems arise.

The Sophomores this year were given the Iowa Silent Reading Test.

Testing on the Junior level was by the Ohio State Psychological Tests, National Merit Scholarship, and General Aptitude Test Battery.

Seniors took the Senior General Scholarship, the ACT and the College Board (SAT).

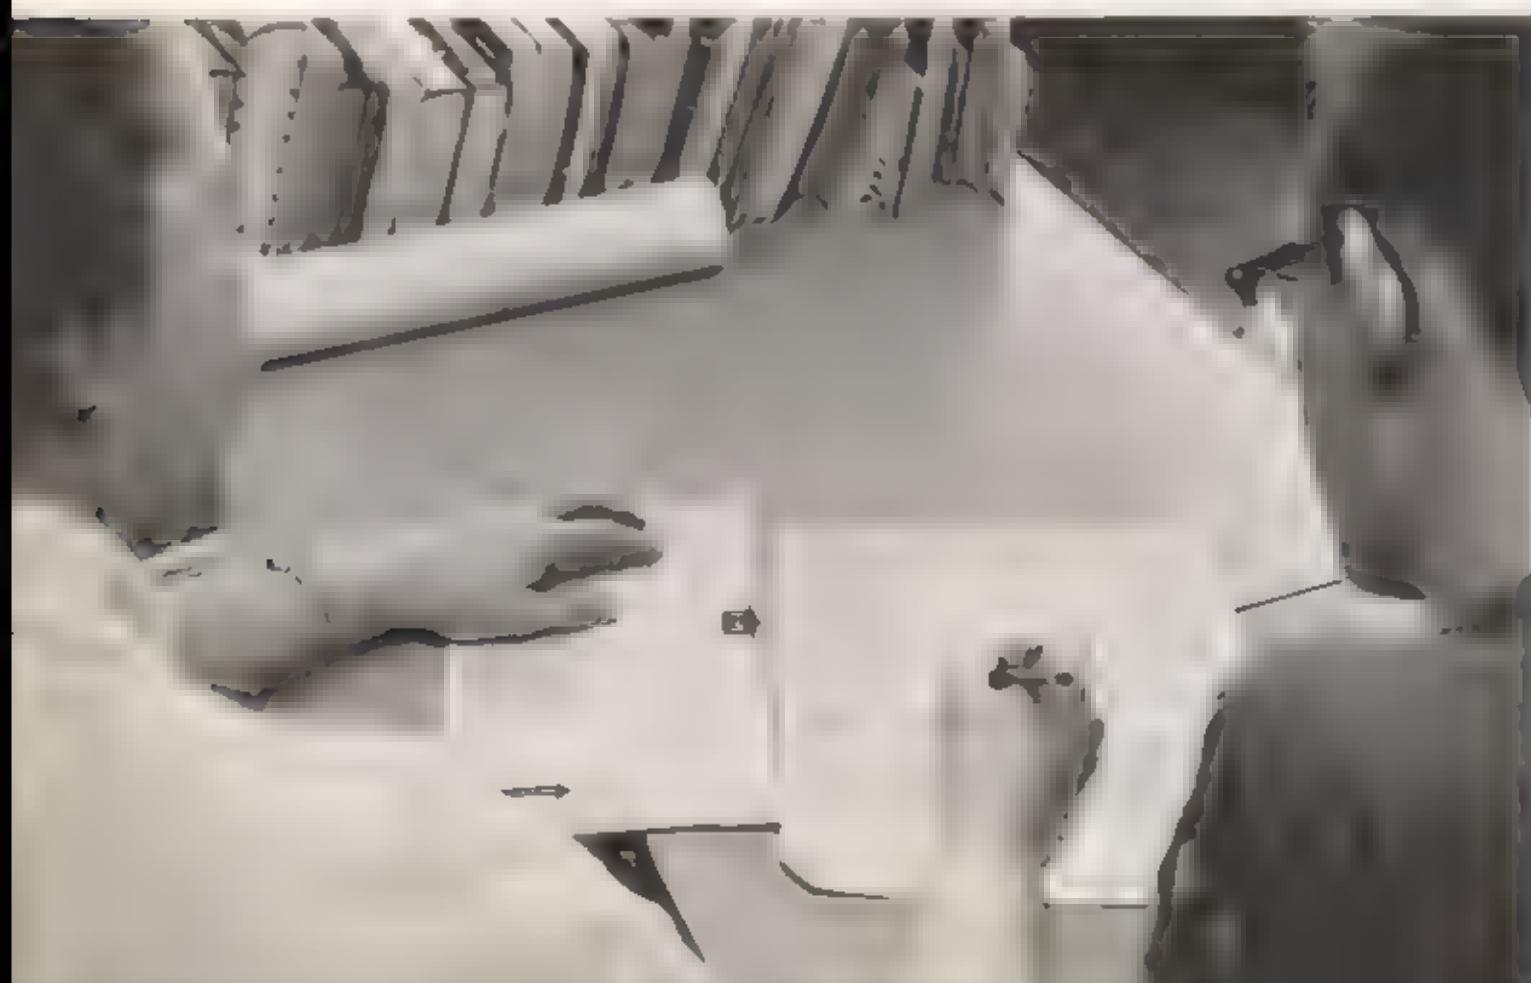

The Kuder, and other tests are available to students on request. These are optional. Tests are not only given but the results are also interpreted.

Freshman guidance teacher, Mrs. Thyng, interprets aptitude test scores

## GUIDANCE . . .

Mrs. Berkibile individually guides her freshmen students in selecting their sophomore schedules of classes

BIOLOGY CLUB, ROW ONE, (Left to Right): Py Lukens, Betsy Harris, Joan Ellsworth, Darlene Reed, Sue Ann Nagy, Nancy Kendig, Suzie Ginther, Judy Mulheim. ROW TWO: Beth Spangler, Michele Koehler, Pearl Kindy, Sue Perdue, Bob Shisler, Jim Hargrove, Tom Copp, Larry Macomber, Ginger Moore. ROW THREE: Anne O'Connor, Janet Hart, Sandy Walters, Barb Bacon, Bob Luckner, Dale Bishop, Kay Marks, Carol Williams, Beverly Kepler. ROW FOUR: Jeani Smith, Jeff Stephanc, Gwen Spence, Tom Artzner, Dick Hendershot, Tom Edwards, John Christiansen, Russ Dunmar, Dennis Anderson, Doug Martin, Pat Patton.

## AND STUDY TO

General science introduces the freshman student to the mysteries of life and the world. Interest which may lead to a career in astronomy, electronics, or geology is developed. High points of the year include the students' projects and the use of the electro-static ball to study electricity.

The pungent odor of formaldehyde brings back sweet memories to biology students. Besides the exciting, or to some terrifying, experience of dissecting a frog, biology students gain knowledge and a better understanding of the life around them.

The biology club plans its program to include speakers and activity which associates its study with the problems of life today.

GORDON KNISELY  
Science  
Freshman Adviser  
B.S., Kent State University

THOMAS MOLLETTI

Biology  
B.S., Kent State University

## MEET DEMANDS OF...

Dubious science students await the proof that the Van de Graaff machine produces static electricity.

The recent advances in chemical and physical sciences bring about an increased demand for courses to cover these fields as well as those of the biological areas. To meet the needs of our youth in this department the range of the scientific program is continually broadening.

Our most recent advanced course is the government sponsored Chemical Bond Approach, an equivalent to college chemistry. The standard chemistry course is available for those students who desire a basic understanding of chemistry.

There are also two physics courses offered. Senior Science is for students who want to learn the fundamentals of physics while PSSC Physics is for those students who wish to study a course that is more advanced and challenging.

A strong math background and a logical mind are necessary prerequisites for these courses.

Students work with complicated apparatus and theories in physical lab

$\text{NaOH} + \text{HCl} = \text{NaCl} + \text{H}_2\text{O}$  — Formulas, solubilities, valences, and other chemical notations can be found at any chem student's experiment table

B.S., Ohio State University  
Ohio State University; Kent State University

TFD K. BROWN  
*Algebra I, General Mathematics*  
Adviser Freshman Basketball  
A.B., Hiram College, Akron University

LINDA BAYDA  
*Mathematics*  
B.S., Kent State University.

The Mathematics Department at Hoover High School occupies a part of every student's life. The inevitable tests and quizzes will be long remembered but more important is the background of solid mathematics and reasoning.

Classes are designed to meet the needs of business and commercial students. Algebra I with the search for the unknown, and plane geometry with the fun of reasoning are the basic subjects for the college preparatory students. Advanced work in geometry, solid trigonometry, college algebra, probability and analytics help to develop a more thorough understanding of mathematics.

From the genuine interest shown by the students the Math Club continued this year. It creates a challenge for its members through new methods of solving problems, while the varied programs stimulate interest in mathematical careers.

JAMES L. BOYER  
*Mathematics*  
B.S., Ohio State University

Students learn the use of the slide rule in advanced math and science courses.

Summer Day offers all seniors the opportunity to have the experience of government service, administration and learning.

Six seniors represented our school at Buckeye Girls' State and Buckeye Boys' State last summer. The purpose of students attending these organizations is to learn about the functioning of their city, county, and state governments and to develop an active interest in them. This is done by actual participation in a program as much like the actual government as possible. In various phases of government work were Sally Schafer, Municipal Judge; Linda Ross, Public Safety Director; and Marsha Matson, a member of the House of Representatives. In positions at Boys' State were Bud Swope, a member of the House of Representatives; Bob McElwee, Commissioner; and John Hoebel, Clerk of Courts.

Bud Swope, Marsha Matson, John Hoebel, Linda Ross, Bob McElwee and Sally Schafer review materials from Boys' and Girls' State.

## AND ECONOMIC . . .

Class participation and formal discussion help students to gain a better understanding of historical events

# SOCIETY WHICH . . .

## LANGUAGE IS UNIVERSAL

National, racial, social and economic barriers are ever gnawing at the strings of freedom. Today it is more evident than ever that men all over the world need mutual channels of direct communication to cope with these situations.

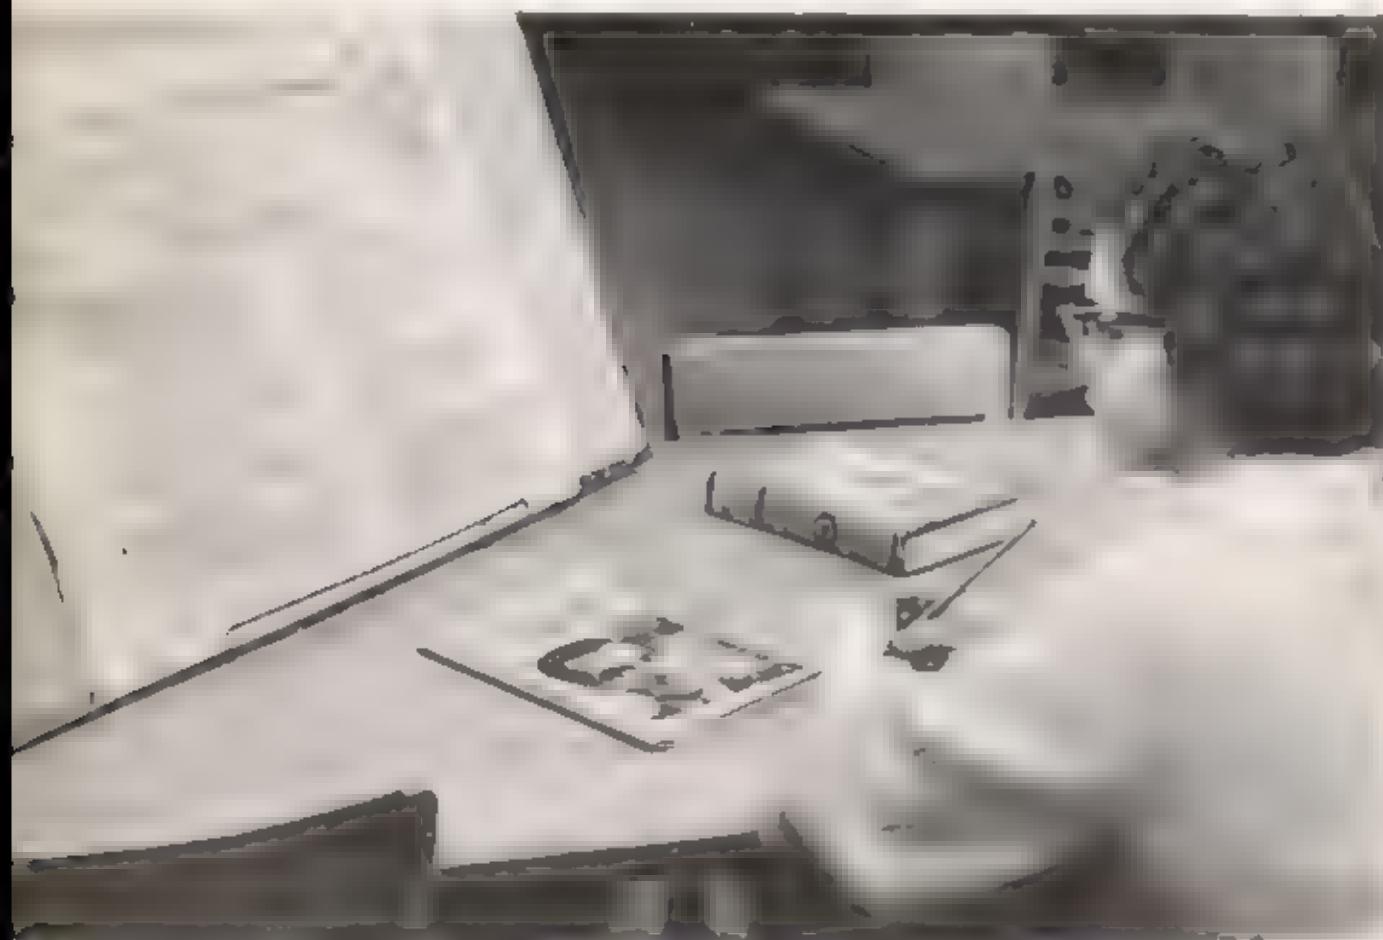

Language is the most universal tool we have to open these channels. The study of this art trains the student to think, reflect, and express his own ideas thus providing for mental, spiritual, and physical growth which ultimately brings about an understanding and appreciation of others.

The language arts program endeavors to create situations which will foster the growth of this universal tool. Strides are being made toward a steadily growing competency in writing and speaking and an understanding and interpretation of literature from the age of Beowulf through the contemporary period. These accomplishments are being met through text book study, research projects, art and hobby building, creative writing, and by both formal and informal oral contributions.

## TO SELECT . . .

The German Club, newly organized this year planned interesting programs concerning Germany and its culture. Chris Ziehms, our German exchange student, frequently spoke to the members giving them an idea of the way of life and custom of the German people. Adviser for the club was Mrs. Mary Ream.

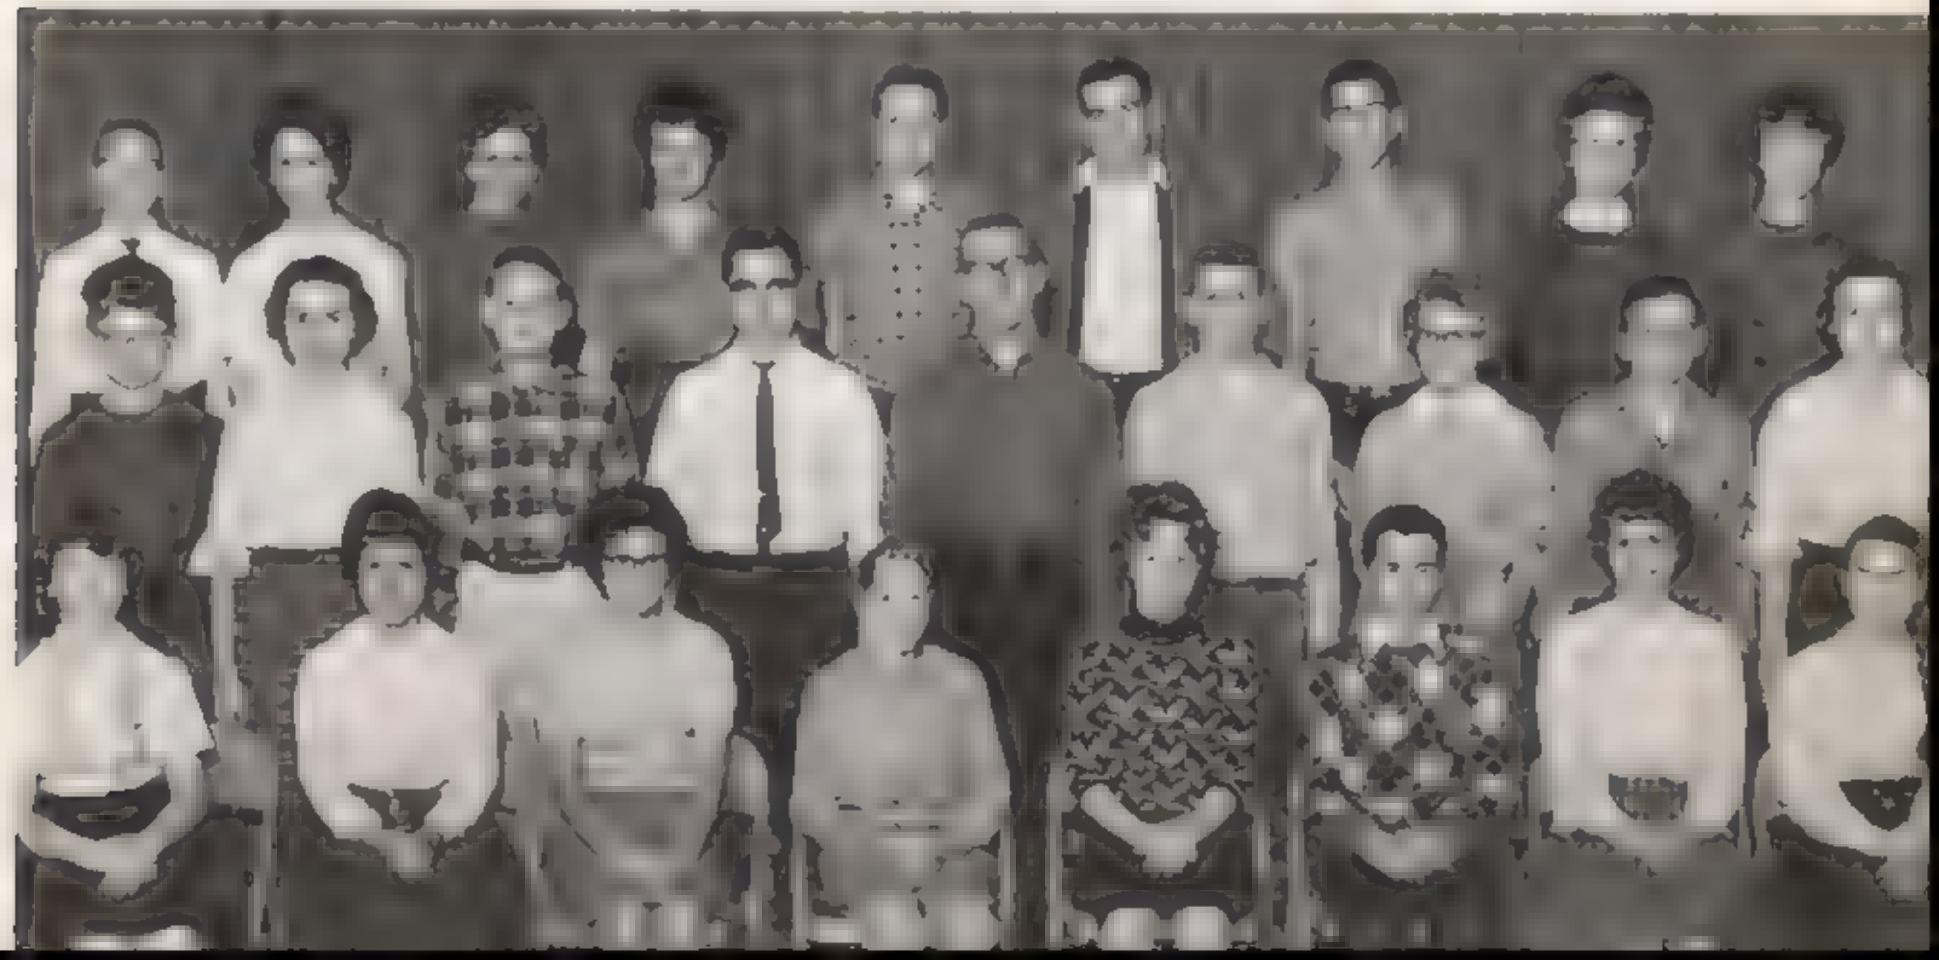

The French Club, under the guidance of Miss Mary Sharp, enthusiastically made plans for a March Caisse. All meetings for this club were held during the class period. This gave all French students an opportunity to belong to the Club.

Miss Sharp is also adviser of the Latin Club which followed the same pattern for meetings as the French Club. The principal activity was the annual Roman banquet in which each member assumed the identity of some ancient Roman personality.

Latin Club students give a taste of Roman society at the annual Latin banquet.

## FIELDS OF

Under the guidance of Mr. Jesse McDowell, the National Forensic League has had a record-shattering year. More degrees have been awarded, more trophies won, and more students qualified for state competition than ever before.

The varsity debate team, consisting of Martha George, Ann Gilbert, Roger Kolp, and Robert McElwee, has won four new trophies for the school and has qualified for state competition.

Participation in individual events has also been outstanding. Denise Carlisle and David Travis have both won first place trophies in humorous declamation, and Dave has qualified for state. Judy Thursby has also qualified for state in girls' extemporaneous speaking.

Other activities include Student Congress, a mock U.S. Congress. Here students write, present and

The many hours of organization and mechanics required in editing a yearbook are demonstrated by editors Sally Schaefer and Nancy O'Connor as they spend an after school session.

Quill and Scroll is an international honor society for high school journalists who have done outstanding work in organizing material for either the school newspaper or the yearbook.

Tapped as juniors or seniors, eligible members must be in the upper third of their class. They are recommended by the journalism or annual adviser and must be approved by the executive secretary of the society.

An installation ceremony was held in March for the annual and journalism staffs.

## A VARIED PROGRAM

With the emphasis on physical education and health as it is today, physical education instructors Donald Hertler, instructor of boys' physical education and health, and Mrs. Roberta Tindel, instructor of girls' physical education and health, stress the idea of good sportsmanship and the importance of physical fitness. The course in health is offered to freshmen to impress them with the importance of their physical and mental health.

The Girls' Leaders are Mrs. Tindel's right hand in her physical education classes. Their main duties are to take attendance, grade papers, and referee games. This enables Mrs. Tindel to break the classes into smaller groups so that more might be accomplished.

Athletic Association  
A.B., Augustana College  
Rock Island, Ill.*

## OF PHYSICAL

For those boys who do not participate in varsity, reserve, or freshman basketball, the intramural program has been designed so that they might have the opportunity to take part in an active sport. Under the direction of Mr. Hertler, almost ninety boys compete for championship.

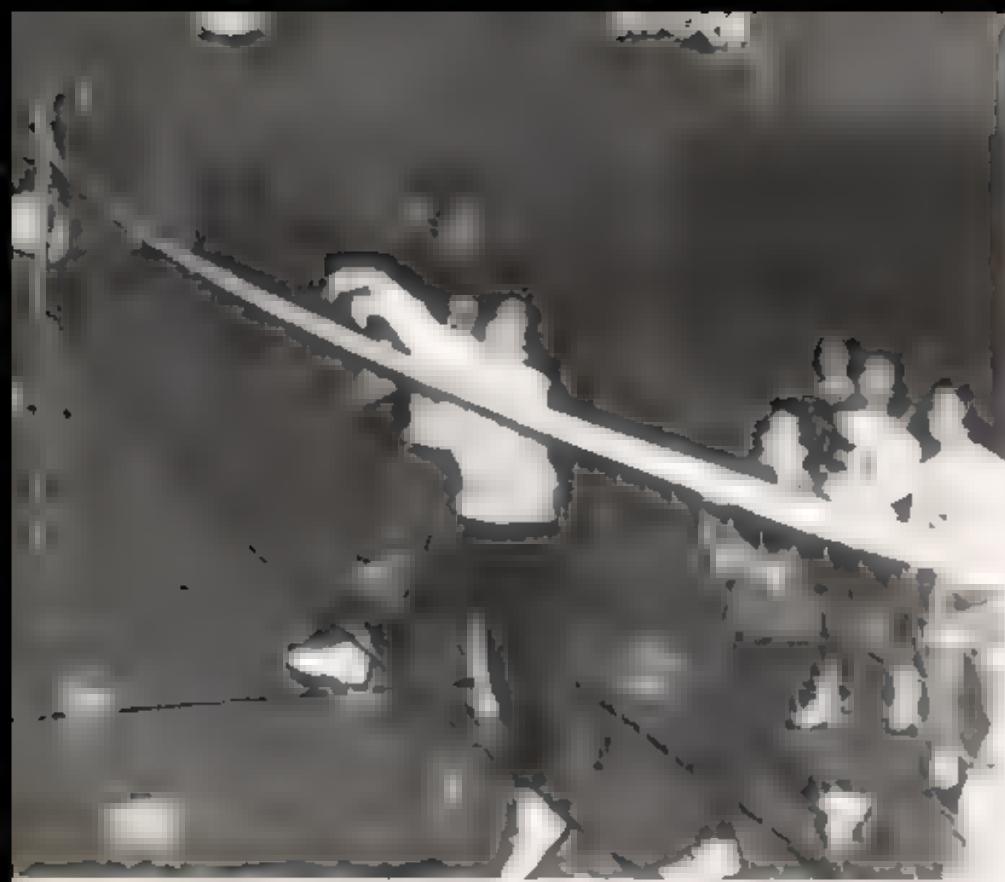

## EDUCATION IS . . .

In members eagerly await the ball's descent.

A student basketball team in mid-air during a jump ball.

Games such as volleyball stimulate sportsmanship and enthusiasm.

## OFFERED.

An evening of enjoyment provides an outlet for extra energy.

The Girls' Athletic Association planned a very active program for the year under the guidance of Mrs. Tindel, girls' physical education instructor. Tournaments were held in kickball, volleyball, basketball, and badminton. Recognition was given to the winning teams at the mother-daughter banquet in the spring.

Highlights of the year in GAA were the faculty-student volleyball game, the dad-daughter date night, bowling parties, intramural playdays, and the mother-daughter banquet. GAA is the way for the girls of Hoover High to learn sportsmanship and have a good time doing so.

GAA OFFICERS Pam McAnall, President; Tana Peterson, Secretary; Suzy Houseman, Treasurer; Martha Stayer, Vice-President

## PRACTICAL EXPERIENCE ILLUSTRATES. . .

The surest way to a man's heart has always been through his stomach. Ever since Wilma Flintstone was cooking for Fred, the girl who could provide a hearty meal, as well as just "lookin' pretty" herself, has been tops in any man's book.

The girls in the Home Economics Department are learning to do that by studying all phases of foods.

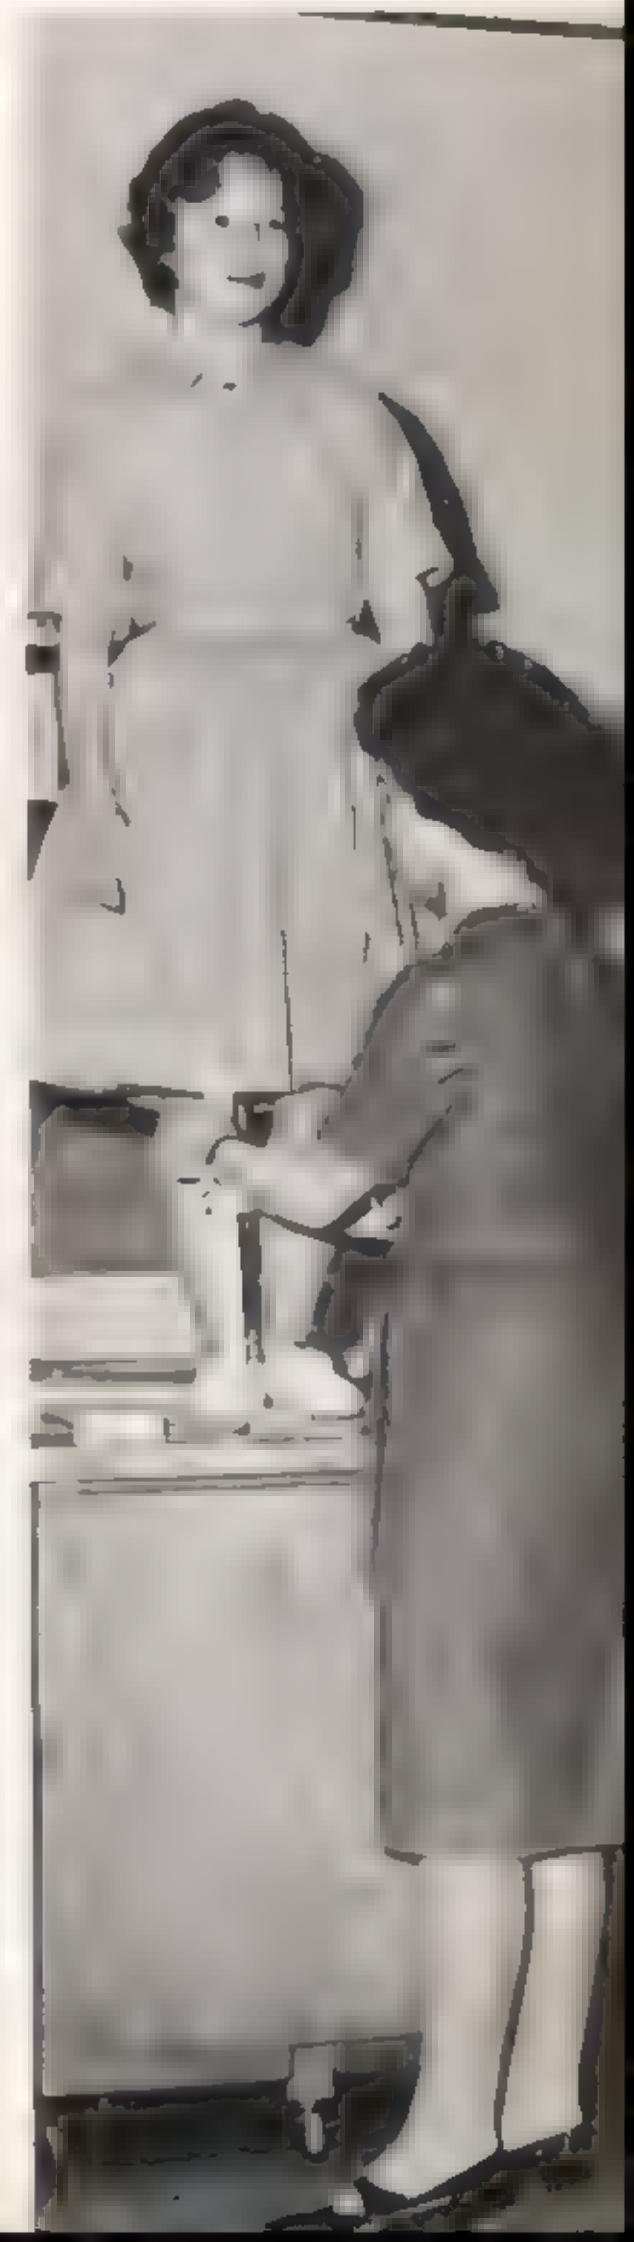

Even Wilma Flintstone can tell us that much more is involved in homemaking. The house should be decorated in a pleasing manner, and equipped with suitable appliances to meet the demands of the family. Perhaps the most important of all is the care of the infant, and the understanding and training of a child as he develops.

Had Wilma been a visitor in the department this year she could have reported the vast knowledge gained in preparation for this homemaking through the interior decorating, marriage and family living, child development, consumer food and appliance courses.

A good homemaker has also learned the art of sewing. By the time a girl finishes the sewing courses she has gained a knowledge of fabrics and stitching and is prepared to make many of her own clothes.

Many other phases of  
modern homemaking are  
taught.

The art of learning to prepare healthful meals is a major part of the bonds program.

The display window gives stu-  
dents an opportunity to prac-  
tice the skills learned in in-  
terior decorating class.

## *OF FAMILY LIVING.*

Homemaking is an art that is impossible to learn from textbooks alone. Since 1934, Hoover girls have had the opportunity to further their knowledge of home economics beyond the classroom. The first club was organized by twenty-five home economic students under the direction of Miss Mildred Evans. Mrs. Georgia Artzner, who took over responsibilities in 1957, is now the adviser.

The Home Economics Club is especially valuable to girls who wish to major in home economics in college for its purpose is to promote and encourage all phases of homemaking. Special club activities this year were a picnic, a tour of London's Candies, speakers on modeling and beauty culture, and a cooking contest.

For membership in the club a girl must be enrolled or have had at least one year of high school economics.

The nurse, Mrs. Lois Fuss, gives home economics students instructions in child care.

## JUNIOR RED CROSS

The Junior Red Cross was organized for service it renders to others.

Under the presidency of Martha Pontius and the adviser, Mrs. Sheila Marquardt, this year the club sponsored the making of Thanksgiving favors for patients at St. bedside Hospital and collecting Christmas cards for hospital patients to mail to friends and relatives. April the 11th the members of the club entertained the patients of the Massillon State Hos-

Mrs. John Young talked to the Future Nurses Club about the Estuary during

## **FUTURE NURSES**

Since 1954 Elmer girls have had the opportunity to learn about nursing and to explore careers in the medical field through the Future Nurses Club, sponsored by the St. Luke Medical Auxiliary.

Through varied presentations by speakers, the members learned the procedures of various types of massage and physical therapy. Of special interest this year was a paper on hypnotherapy, a challenging new field. This opened possibilities for the future.

Among the club members are Mrs. Margaret Shipley, Mrs. Nedra Beaman and Mrs. Jan Watson. Approximately 15 girls are preparing for careers in nursing by participating in the club program.

## DISTRIBUTIVE EDUCATION

For the past several years the Distributive Education program has been offered to senior students at Hoover. Those taking this course spend the morning in regular classes and the rest of the school day on the job gaining practical retail sales experience, while still earning their high school credit.

The members of the DE program voted to affiliate with the Distributive Education Clubs of America and form their own club. DECA is organized at the local, state, and national level and offers to its members the opportunity to be active in social as well as business activities.

DECA is proving its worth more and more each year by its constant production of students who are able to take their place as experienced employees and leaders after graduation.

DALE HELWICK  
*Distributive Education  
Adviser, DECA Club  
B.S., Kent State University  
Mount Union College*

In a DE class, students become familiar with many selling techniques.

On-the-job training is a major part of the program.

Practical experience at the lathe is educational

## THE INDUSTRIAL ARTS PROGRAM IS . . .

The wheels of progress must continue to roll in this complex economic society. The industrial fields head the list of those responsible for such growth. Alertness to a need and the creative, progressive nature of those at the wheel determine the advancement made.

Such qualities are developed in youth through the Industrial Arts Department as they are trained to use the proper industrial tools to design, plan and build projects recommended by the instructors or created by their own initiative.

The program includes four areas of training; wood working, machine shop, drafting and printing.

At the freshman and sophomore levels boys are offered one semester each of woodworking and machine shop. In these departments a general knowledge and understanding of the materials needed, power tools used and techniques necessary for production are gained through supervised practical experience.

Each boy enrolled in the course also has an opportunity to become acquainted with and to experience the proper techniques of both gas and electric welding.

Mr. Cawler instructs Brian Zone in the correct usage of the power saw

B.S. and M.E., Kent State  
University

## **DESIGNED TO DEVELOP CREATIVE THINKING**

A practical application of learning develops student ability.

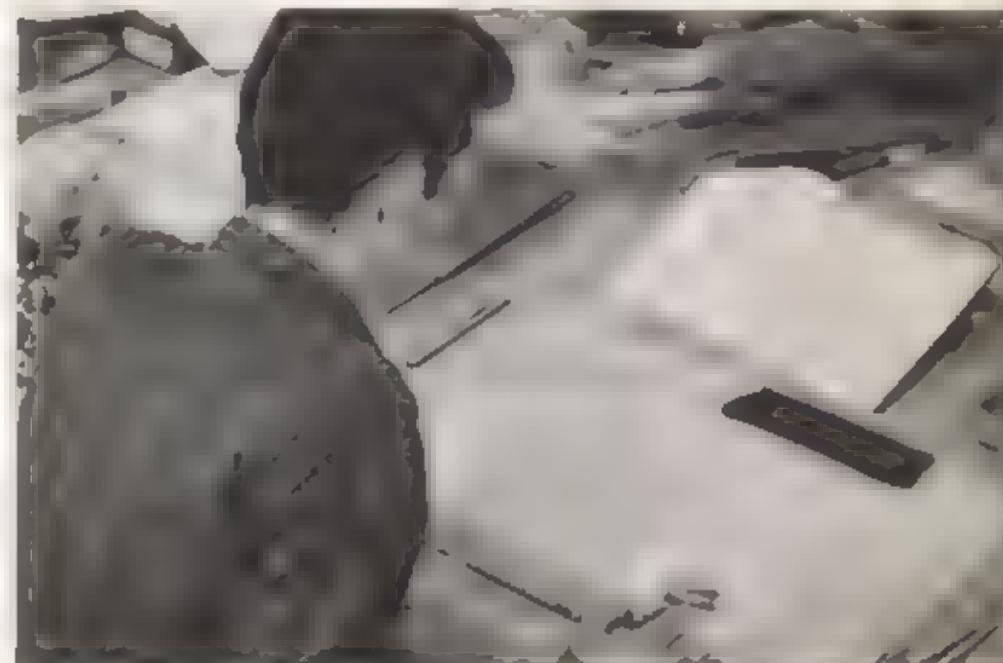

The knowledge of the graphic arts is continued with the instruction of industrial drawing and printing courses

Drawing, being a graphic presentation of ideas is an essential part of all manufacturing and building operations. Thus the language of scientists and engineers must be understood by all in the industrial field

As those enrolled in the printing classes become reacquainted with and experience the use of the letter press, offset, silk screen and block printing methods of print, they perform many services for the school by their production of printed matter

The Print Club is composed of junior and senior boys who have displayed ability and interest in the field

The artistic skill of drafting is perfected by hours of concentration at the board

## DRIVER EDUCATION

PAUL A. MACDONALD  
*Driver Education*  
Adviser, Freshman football  
wrestling team, B.S., Bowl  
of the Green State University

Sixteen is the magic age for teens today. It is then that they first may take advantage of one of man's most useful and enjoyable inventions, the automobile. No one, however, is able to simply climb into a car on his sixteenth birthday and begin driving. Mechanical skills, rules of the road, and safety must be deeply impressed upon every new driver.

Hoover High School's Driver Education course covers all areas. State tests in the lecture period test knowledge of a car and of driving regulations. Along with this, actual practice in the driver training car gives the student a thorough education in a skill he can use all his life.

Under supervision, youth at the wheel today creates better drivers for tomorrow.

## "MUSIC EXPRESSES FEELING AND . . .

The Hoover High School Band started rehearsals for this year in August. Under the direction of Mr. John Hafer, the band had a successful season. At the football games the band marched before the game and at half-time. No matter what the weather, the band was always there to encourage the team to victory. Preparation for the games, both at home and away, took a lot of time and patience. The students were kept busy memorizing music and their positions in the formations. The band also participated in the pep rallies, the homecoming parade, and the parade that announced the arrival of Santa Claus at Thanksgiving.

Hoover High School was well represented by its majorettes. Head majorette, Judy Alber, and our other majorettes added enjoyable dancing and twirling routines to the half-time shows.

Majorettes are Sharon Shusser, Karin Zane, Cherry Warstler; head majorette, Judy Alber; Terle Patterson, Kathy Middleton, Susan Woods.

## THOUGHT, WITHOUT . . .

After the lime was cleaned off the uniforms and the marching music put away, the band settled down for the concert season. They no longer went outside during the eighth period and froze the fingers but practiced scales to prepare for the busy season following them. In January a "thank you" concert was given for the Music Association. This program was presented to show appreciation for the support given by the association in raising money for new uniforms. The band then prepared for its annual Spring Concert, which was the conclusion to a busy year.

The North Canton Music Association worked with the band in its fund-raising activities. This year tag day and the concession stands were the two major projects. At the annual banquet it was announced that the band had been selected for new uniforms for the 1962-1963 school year.

On February 17 all members had the opportunity to attend the highlight of the year, the annual band prom.

"S Wonderful" to present the Christmas Concert

"Without a song the day would never end." The ninety-seven members of the Hoover High School A Cappella Choir have certainly made this statement true throughout the year using a distinctive modern trend in their vocal arrangements. The choristers, under the direction of Mr. Martin Alexander, increased their knowledge of music by choosing the works of various composers.

Sponsored by The Hoover Company of North Canton, the members of the choir presented both a Thanksgiving and a Christmas program on radio station WHBC. Other activities of the choir included the Christmas program, an Easter concert, and the fourth annual Spring Sing.

Sixteen members from the A Cappella form a group known as the Hoover Hi-Lows. This ensemble spent many extra hours preparing for special performances for various clubs of the surrounding vicinity.

## IS ABOVE AND . . .

The vocal department is not complete without the Girls' Glee Club and the Freshman Mixed Chorus. These two groups have worked very hard this year in order to assist the A Cappella Choir with the Christmas and Easter concerts and the Spring Sing.

A group that showed much promise for the future was the Vikettes. This ensemble consisted of three juniors and five sophomores. The group was known for harmony both in their blend of voices and in their dress. The Vikettes went to different organizations in the community and gave special performances. On several occasions these performances were combined with those of the Hi-Lows.

Music contestants view the requirements for entering the contest.

## BEYOND ALL WORDS."

The real pride and joy of the vocal department was the Spring Sing. This was a performance in which all vocal music groups combined to give their share of songs to "Hoover Highlights the 30's." The individual selections of each group were those familiar to most of the audience, and in the finale everybody who had participated, sang songs from the famous Broadway musical, *West Side Story*. After the excitement of the big performance, tables and decorations were hurriedly put into place for the Spring Sing Dance.

Can't Help Singing Is the expression of all voice students. Here Sue Barrett takes a lesson.

Enthusiasm and enthusiasm were a big part of the Spring Sing. Here some of the committee members discuss plans.

For library work, see especially  
Instruction, Research

The Library becomes an active part of the student's life as he progresses upon his road of learning. Every freshman is formally introduced to this important center of learning during his first six weeks at Hoover. From this time throughout the next four years, it is his privilege to put into practical use the services rendered by the library and its staff.

Student librarians constitute the greatest number of the library staff. Those who so graciously devote their time as library assistants offer a real service to the school, and in so doing, gain a great deal of knowledge through active participation in the shelving & books locating research materials, and in their many other duties about the library.

The adult staff was strengthened this year by the addition of Mrs. Pauline Kolp who shared her time with the guidance and library offices as secretary. Also assisting the librarian was Mrs. Elizabeth Marti who spent two periods per day to further extend library services to the student body.

STUDENT LIBRARIANS ROW ONE. Left to right: DISPLAY ARTISTS Nancie O' Connell, Detra Tenenbaum, Betsy Sager, Bay Filhour, Jan Shotts. ## *ATHLETICS*

## *VIKING GRIDDERS POST*

Hoover High School was well represented by its football team which chalked up a 9-1 record. This season tied the school record for the number of victories.

The Vikings, guided by Coach Hertler and his staff, beat a strong no. which had many moments of glory, but also had to face the bitterness of defeat at the hands of Glenwood. Our team employed a winged T offense to roll up 243 points to their opponent's 91 points. A 5-3 defense was also an asset to the Vikings.

The two top guns for Hoover were quarterback Dick Snyder who scored 104 points, and halfback Bob Esmont, who scored 66 points. For his outstanding record Dick received four awards: the Most Valuable Player trophy for a high school football player in Stark County; All-County quarterback; All-Ohio quarterback; All-American quarterback. Gary Anderson was selected as an end on the second All-County team.

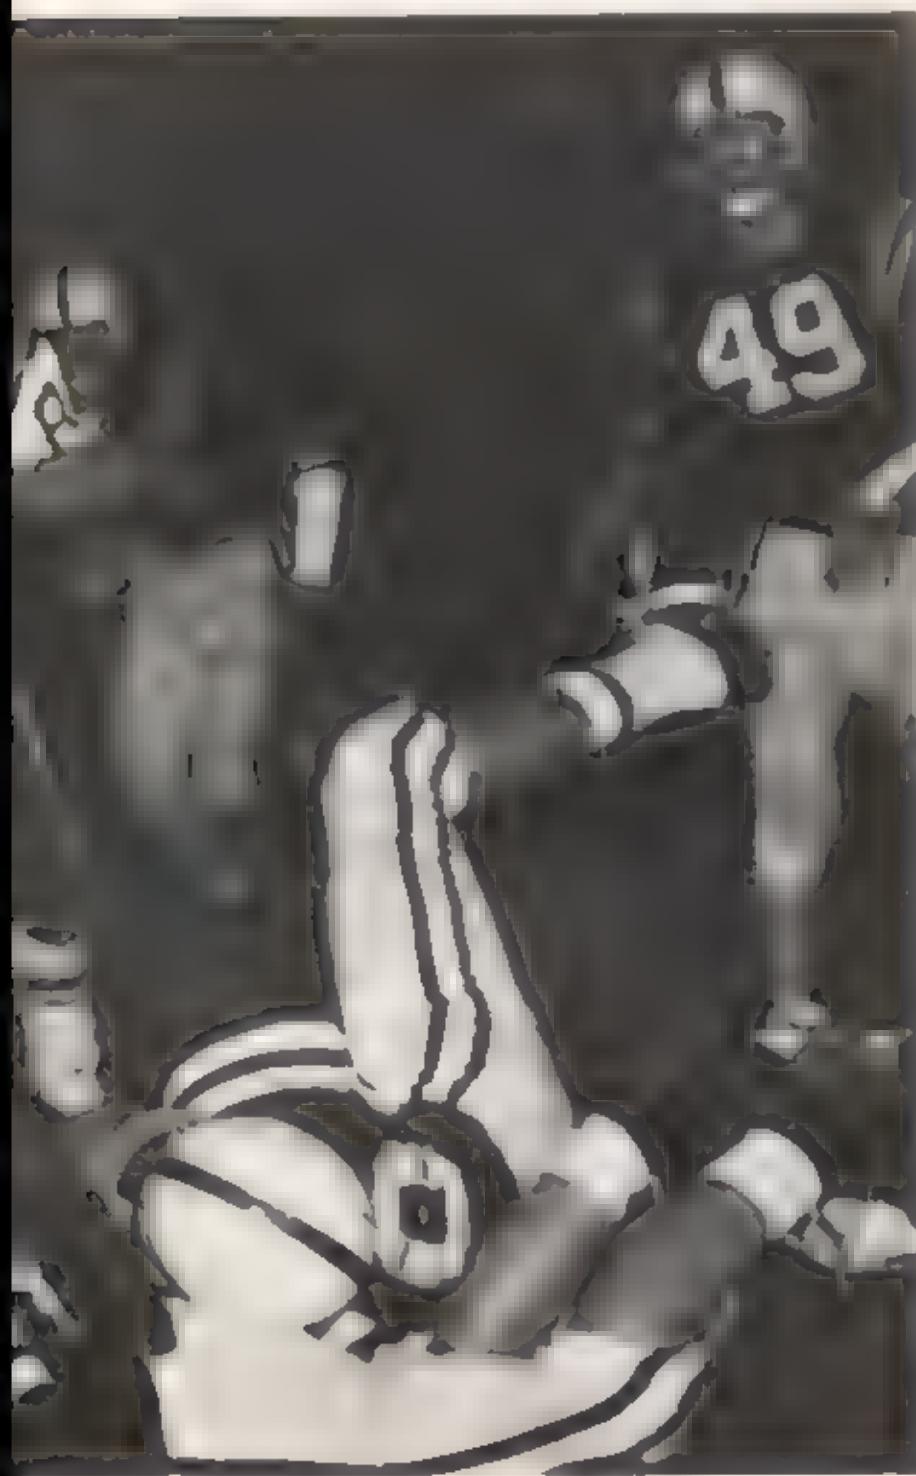

At the annual banquet honoring the football team, the following awards were presented: Dick Snyder

## 9-1 RECORD

After an off-season back to Koon's outstanding offensive line in 1970, Linnell had to leave Lake City. A desire to play football with his brother Schley caused Steve Maher

to two transfer from school to another. He completed a record 1,425 yards for the Vikings, split his time with 188 yards for Minnesota at Honeocenter. Jackson, whose tenth opponent is used, beat Hoover in one of their best performances with 28.7%

The Vikings scramble wildly  
for a needed rebound.

## LETTERMEN SPARK . . .

The 1961-62 basketball season was perhaps one of the most exciting ever witnessed by the loyal followers of Hoover High. Mr. Gordon Knisely, in his first year as Varsity Coach, was optimistic because of the return of six lettermen from last year's cage team which had compiled a 9-9 record. These were guards John Hoebel, Bob Esmont, and Dick Smith; forwards Gary Anderson and Dick Morow; and center Dick Snyder. A fine group of underclassmen added to the powerful nucleus of the team. As practice commenced in mid-November these boys dedicated themselves to hard work and team effort. With the combined effort of the team and the fine coaching of Mr. Knisely and Mr. Kistler, the Vikings posted an impressive record of thirteen wins and five losses during the regular season.

Due recognition of the eagles' proficiency was given when the Vikings were seeded second behind Canton Lincoln in the Canton Sectional tournament. Despite the loss of first string guard, Eddie Piper, the Vikings entered the tournament determined to do their best. After receiving a first-round bye, the eagles defeated a strong Central Catholic team before losing a heart-breaking 43-42 game to a spirited Canton South team in the sectional finals.

The bench strength spreads its enthusiasm to the starting five during a short time out

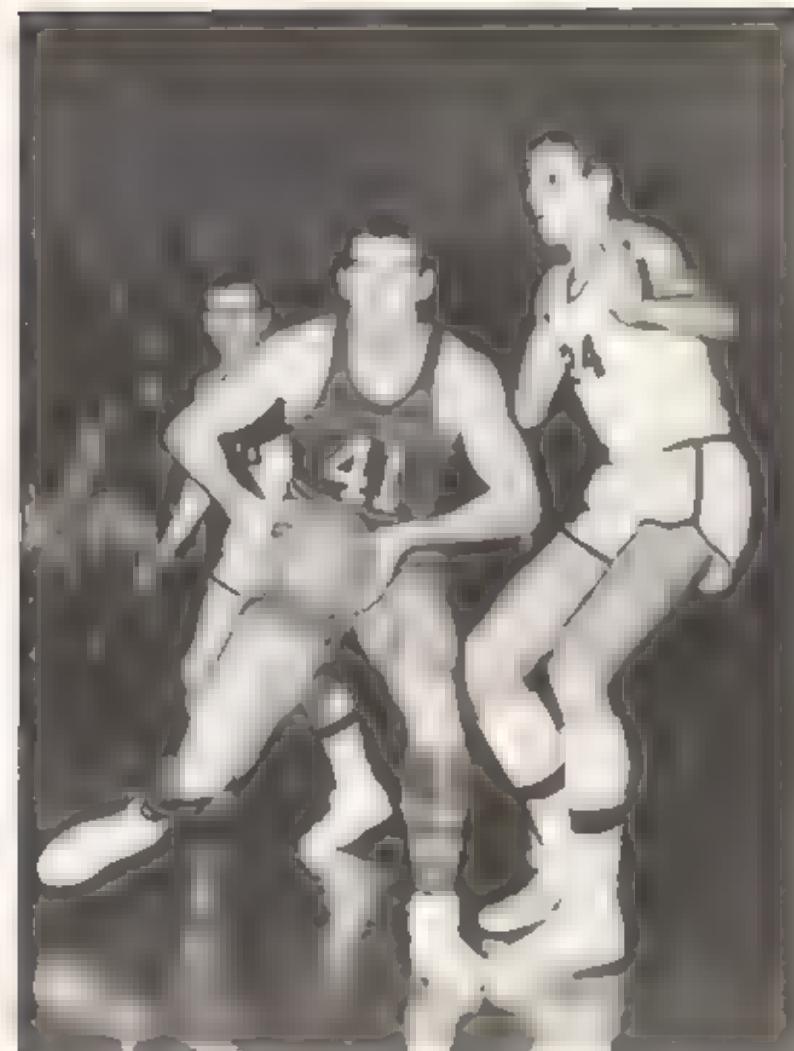

Disrust, worry, tension, and fox combine to form the somewhat bewildered expression of Head Coach K...

## CAGE SUCCESSES.

The season was undoubtedly a rewarding one. Besides the impressive record, Dick Snyder was named to the first team all-county squad for the second year in a row. Gary Anderson made the honorable mention list. Unfortunately Dick lost the county scoring championship by two points. He had won the championship the previous year. He scored a total of 147 points for a 21.7 points-per-game average during the season. The other members of the squad all contributed equally to this successful season.

Not enough praise can be given for the terrific job coaches Knisely and Kistler did in their first year in their new positions. The team was well-coached, and the players enjoyed working under their leadership. It was the type of season of which all those connected with Hoover High could be proud. The spirit of the fans was terrific and was undoubtedly a factor in determining the outcome of many games.

The captains, Gary Anderson, Dick Snyder, and Bob Fenton led the the Vikings eagles through a very successful season.

42	Hoover	Canton South	43

Coach MacDonald's warm personality brings a smile from sophomore letterman Keith Hickman.

The victorious Viking Wrestlers, under the direction of Paul MacDonald, finished their season with a 6-4 record. The squad, composed of six returning lettermen, showed great ability throughout the season. Despite a plague of injuries throughout the season, the team was able to finish fourth in the district finals held at Kent State University. Among the senior lettermen, Mike Smith and Bill Cropley stand out as the leaders of the team. Mike, finishing two seasons of dual-meet competition undefeated, finished second in the district finals while Bill captured third place. Mike Smith and Craig Mason, outstanding junior letterman, both qualified for the State tournament held at Columbus. At Columbus Mike Smith succeeded in taking fourth place in the 120 pounds weight division.

ROW ONE (Left to Right): Mike Smith, Al Dervin, Carl Martin, Jim Marshall, Keith Hickman, Jim Koons, Bill Cropley, Craig Mason, Jack Patterson. Player compiler Tom McHugh finds himself in a very awkward position as he tries to muscle through

## BAD WEATHER STALLS VIKINGS

Hoover bench strength watches intently  
as the Vikings move to another victory

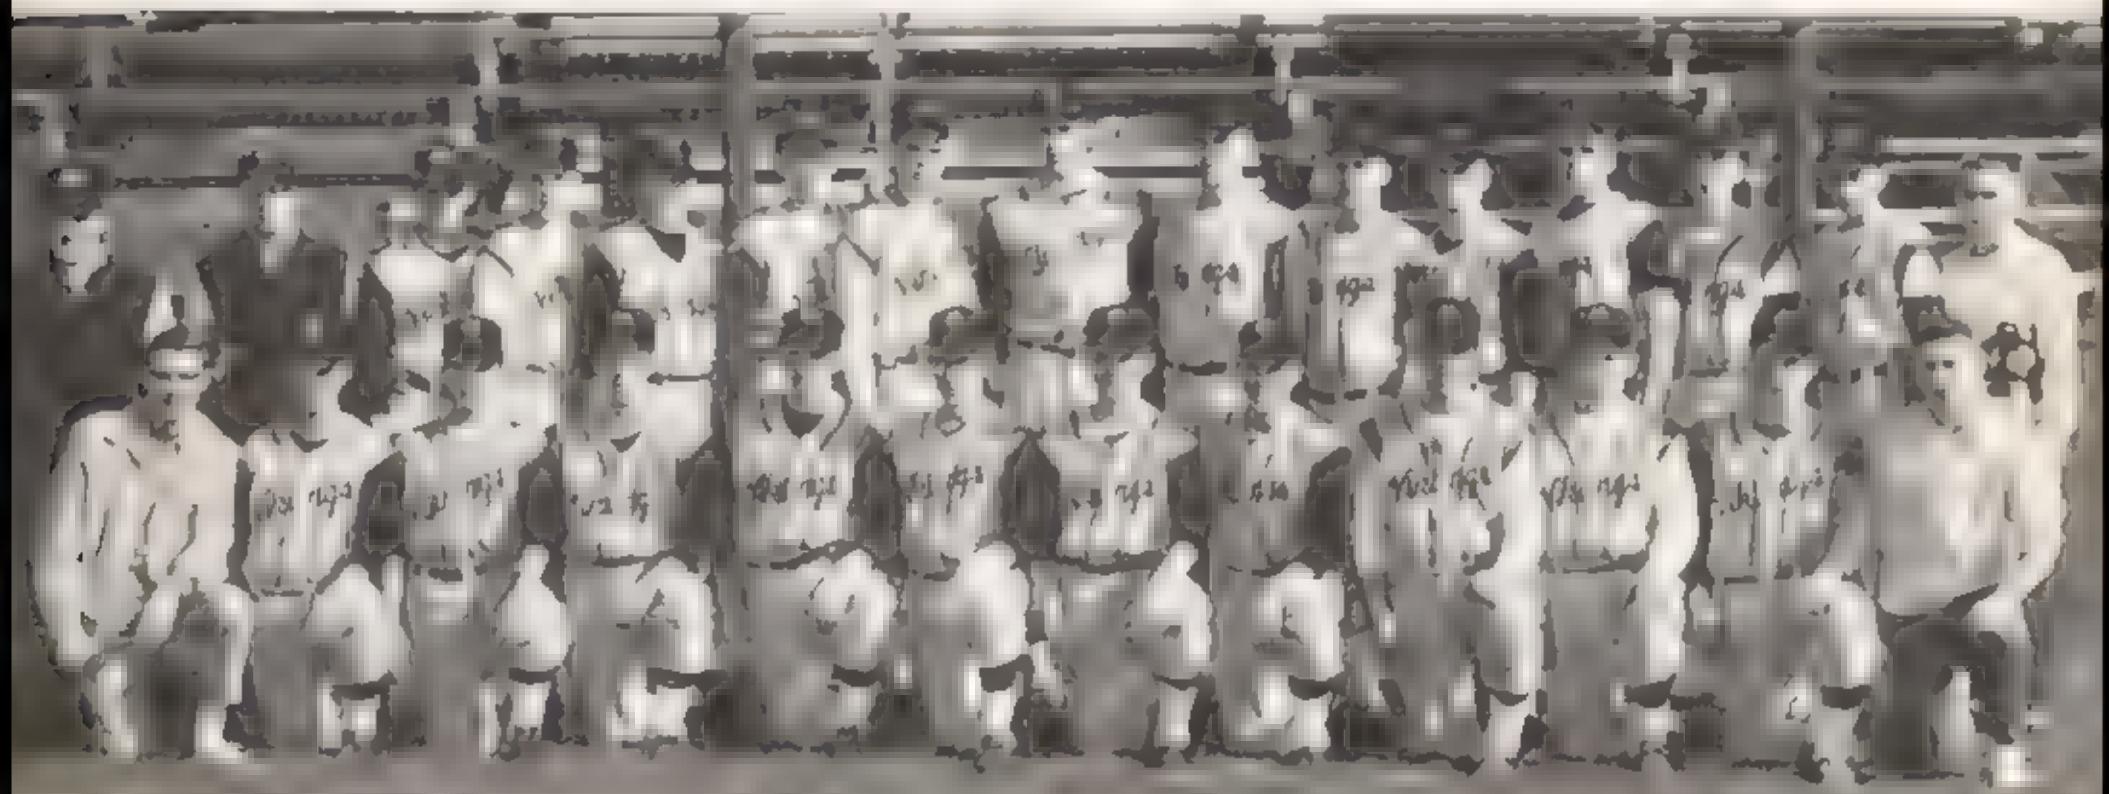

Poor weather conditions, which plagued the Viking baseballers last spring, caused the cancellation of all but twelve of the proposed twenty-seven games to be played. Of the twelve, the Vikings won ten losing only to Jackson and Perry.

The Hoover nine was led through the season by the coaching of Mr. Hertler and Mr. Knisely, and the pitching of senior Dick Achberger (4-1) and junior Dick Snyder (6-0).

In post-season action Hoover defeated Marlington 7-2 only to lose the next tournament game to Perry's Panthers by a 4-3 margin.

Seven of the starting nine returned for the 1962 season to give North Canton a fine nucleus for an outstanding year.

## **TRACK**

Dick Smith skirts a hurdle during the District Meet held at the North Canton Stadium.

Both Eck and Neuman get good starts for the 440 yard dash as part of the invitational meet.

The 1961 track team finished with a record of five wins and three losses. Weather conditions caused four of the ten scheduled meets to be canceled. With eight returning lettermen, Ted Kazleman, Paul Martin, Bob Esmont, Bill Steila, Jerry Eck, Gary Newman, Allan McCue, and George Stewart, the young cinderlemen faced one of the toughest schedules ever undertaken by a Viking track squad. Under the coaching of Don Martin and his assistants, Dick Armstrong and Paul MacDonald, five records were broken and one was tied. They also placed third, behind Akron North and Wooster, in the North Canton Invitational Track Meet.

The Pole Vault record of 11 feet 4 inches was set by Bill Steila. Paul Martin set an 880 yard run score of 2 minutes 6.1 seconds. The 100 yard dash was tied once and broken by one second. Jerry Eck tied the record with 10.4 seconds, and Gary Neuman shaved a second making it 10.3 seconds. Gary Neuman also set a 220 yard dash record of 22.4 seconds. Dick Morrow, Russ Dunmire, Jerry Eck, and Paul Martin ran the 2 mile relay in a fast 8 minutes and 49.7 seconds.

**ROW ONE** Left to Right: Mike Shelly, Mgr., Jack Smith, Ted September, Bill Stelly, Wayne Simonson, Dick Wakel, Bill Art, Allan McCormick, George Stewart, Tom Clegg, Dick Smith, Paul Martin, Russ Deacon, Stan Tetzlaff, Bruce Casper, Ken Becker, Bill Bartz, Dick Marlow, Larry Jester, Jerry Eck, Jim Kona, Bob Esmont, Gary Neuman. **ROW TWO** Mr. MacDonald, Coach; Mr. Martin, Marlow, Larry Jester, Jerry Eck, Jim Kona, Bob Esmont, Gary Neuman, ROW THREE Mr. MacDonald, Coach; Mr. Martin, Marlow, Larry Jester, Jerry Eck, Jim Kona, Bob Esmont, Gary Neuman, Tom Tolman, Terry Montz, John Shahan, Lon Hicks, Russ Henkel, Jim Malone, Jon Belltree, Ron Butleigh, Keith Hickman, Tom Tolman, Dick Witten, Paul Robinson, Tony Clark, Jeff Stipes, Jack Patterson, Jim Evans, Alan Burkhardt, Carl Martin, Tom Arntzen, Mark Cole, Bill Clegg, Jim Barta, Peter Blair, Woodie Way, Cheryl Bob, Larkie, ROW THREE Tom Tolman, Jim Hargrove, Bob Becker, Ed Dusler, Mark Debacker, Dan Clark, Dick Deacon, Jack Neuman, Dick Vinton, Doug Martin, Greg Freed, Ted September, Ted Davis, Tim Morris, Dick Herren, Dick Borow, Howard Hause, Mike Brown, Tim Edwards, Dennis Morgan, ROW FOUR Fred Drost, Jim Merchant, Ned Sculsky, John Christopher, Jim McKinney, Joe Acosta, Jim Maxwell, Parker Schuler, Mark Karrasch.

## CHEERLEADERS BOOST STUDENT

Vim, vigor and vitality are three words which describe the cheerleaders of Hoover High.

The Varsity cheerleaders attended Camps All American in Lansing, Michigan last summer. There they became acquainted with several different cheer leading squads, acquired new ideas for pep rallies and learned new cheers.

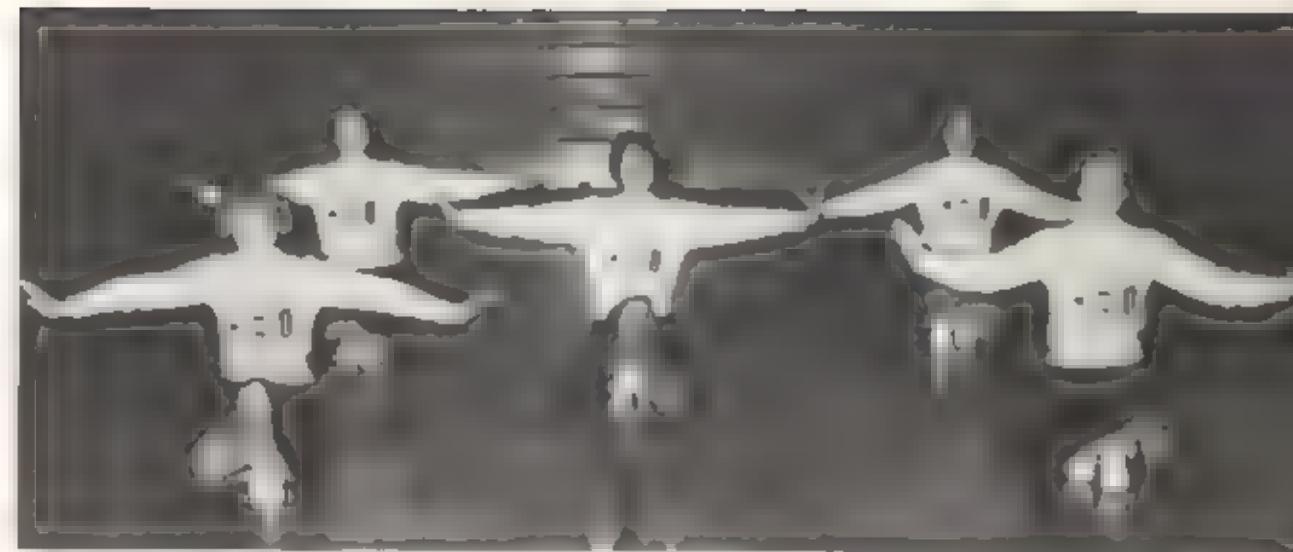

Both Varsity and Reserve cheerleaders have been very busy throughout the football and basketball seasons planning pep rallies, teaching the student body new cheers, and decorating for the banquets at the end of the season.

With their adviser, Mrs. Roberta Tindel, the cheer leaders helped boost the teams' morale and enliven enthusiasm in student spectators.

## FRESHMEN

The year of 1961-62 has been a big one for Hoover High School in the eyes of Freshmen. Last September the 315 members of the Class of '65 entered the doors of Hoover High with the usual amount of apprehension and misgiving. The Freshman, holding true to their name, invaded the classrooms with unimpaired vigor and vitality. However, the "Frosh" soon discovered that high school isn't all twist parties and fun. They learned that studies demanded equal time. For Freshman, this year, 1961-62, was not only the beginning of high school but the opening of a wonderful new life.

## SOPHOMORES

Last year, as freshmen, we entered Hoover High School with a sense of excitement, not knowing what to expect. Now, as sophomores, we are more aware of what this life is really like and what is expected of us. Our class is one with both scholastic and athletic ability which has been dramatically demonstrated on the Hoover scene. The presentation of a beatnik skit in class competition is just one example of the enthusiasm generated by our class.

Helping us through our sophomore year were our class advisers and homeroom teachers Mr. Dowell, Mr. Gray, Mr. Mollett, Miss Kronk, Mrs. Scott, Mr. MacDonald, and Mr. Helwick. To these we give our deepest gratitude.

We, the class of '64, are now looking forward to our remaining years at Hoover with great eagerness as years of new and exciting adventure.

## JUNIORS

*School must be quiet  
School must be clean  
When you leave school, Then must  
The quietness remain.*

When Emerson wrote these lines I doubt if he had this year's Junior Class in mind, but these words describe the members of our class with great accuracy.

The class has excelled in both scholastic and extra-curricular activities through the years, particularly outstanding in the field of speech and athletics.

The Class of '66 sponsored the annual Junior Senior Prom with the valuable assistance of its advisers which was the highlight of the Junior year.

Over the coming years the students of our class will remember their Junior year, their third year of high school, as the best of their life and will be thankful they spent it at Hoover.

Lori M.

This page is devoted to those students who throughout the year have shown outstanding ability and achievement in the school. They excel in some phase of the school program either in the academic or extra-curricular field. The students whose pictures appear on this page indeed deserve every amount of credit for they have blazed their own trails into the ever expanding realm of knowledge.

Cheerleader Zeta was  
selected Hoosier Jay an-  
nual competition this  
year. Carol Ann  
Keller is currently  
she part of the  
Interact Club  
from Youth Exchange  
Program.

National Merit Finalists Carl Martin, Jane Andrews, Bonnie  
Bedorek, Lorin Sickfus.

ROW ONE: Stanley Trier, Karen Zane, Karen Lusk, Carl Martin. ROW  
TWO: Gary A., Jane Andrews, Lee Collier, K. M., B. Bedorek, Richard  
Snyder, R. T. ROW THREE: Sandra Felt, Monica Matson,  
Judy Alter, Jerry Kidder, J. McClellan, Lorin Sickfus.

Jerry Kidder's collection of marine  
specimens which he gathered  
while he attended a three-week  
course in marine biology at the  
Gulf Coast Research Laboratory  
at Ocean Springs, Mississippi, last  
summer.

# SENIORS

## SENIORS, . . .

Well here we are. It's been a long four years, but we've made it. All at once it's been difficult and rewarding, confusing and enjoyable. Yet, most of all it's been memorable—the most valuable memory we have stored away in our book of life thus far.

The Class of '62 has proved in numerous ways its ability to unite when unity was necessary and desirable. Our members have proved that they can both work and play together well. Our athletes have compiled many commendable records over the years and our scholars have earned recognition in many forms.

Aiding the Class of '62 through this last year were senior advisers, Mr. Swope, Mr. Dobson, Mrs. H. Marquardt, Mrs. S. Marquardt, and Mr. Dent. We offer to them our deepest gratitude.

Graduation signifies both a beginning and an end. With it, a whole era of life is put away in memories. We trudge on to harder tasks which leave little time to reminisce. But what we have learned and accomplished in high school will always guide us as we progress to our goals in life.

## "HARRY" RETIRES

Mr. Harry Hart

Retiring in June after 20 years of service in the North Canton school system is Mr. Harry Hart head custodian at Hoover High School. Harry will be 72 on July the 20th. He and his wife live at 3128 Easton Road.

Harry started his work here in August, 1930, working until 1945. Then after a few years' absence he returned in '57 to become the first head custodian of Hoover High School.

The retiring custodian plans to keep very busy with his many activities at home. "I have two acres of lawn to mow—that will take up a good deal of time". His principal hobby is carpentering. His home contains a completely equipped workshop with various types of machinery. "Besides this" Harry says, "I became a grandfather and a great-grandfather on the same day last October!" We agree that all this will leave little time to spare.

"Harry has always been very competent in his work" stated Mr. Malone, superintendent of schools and he is extremely well liked by all the students. Faculty and students alike will miss the extra time and effort spent and favors extended in their behalf throughout his years of service.

**THE STAFF  
SAYS  
THANK YOU**

**ADVERTISERS**

## HOOVER

THE NEW competition of the world of today demands a rededication of ourselves to the very best in intellectual attainment. We need educated people never before. They will come from the students in our schools and colleges today. The Hoover Company congratulates the members of the 1962 Graduating Class of Hoover High School.

## Everything's changed but the name on the bearings

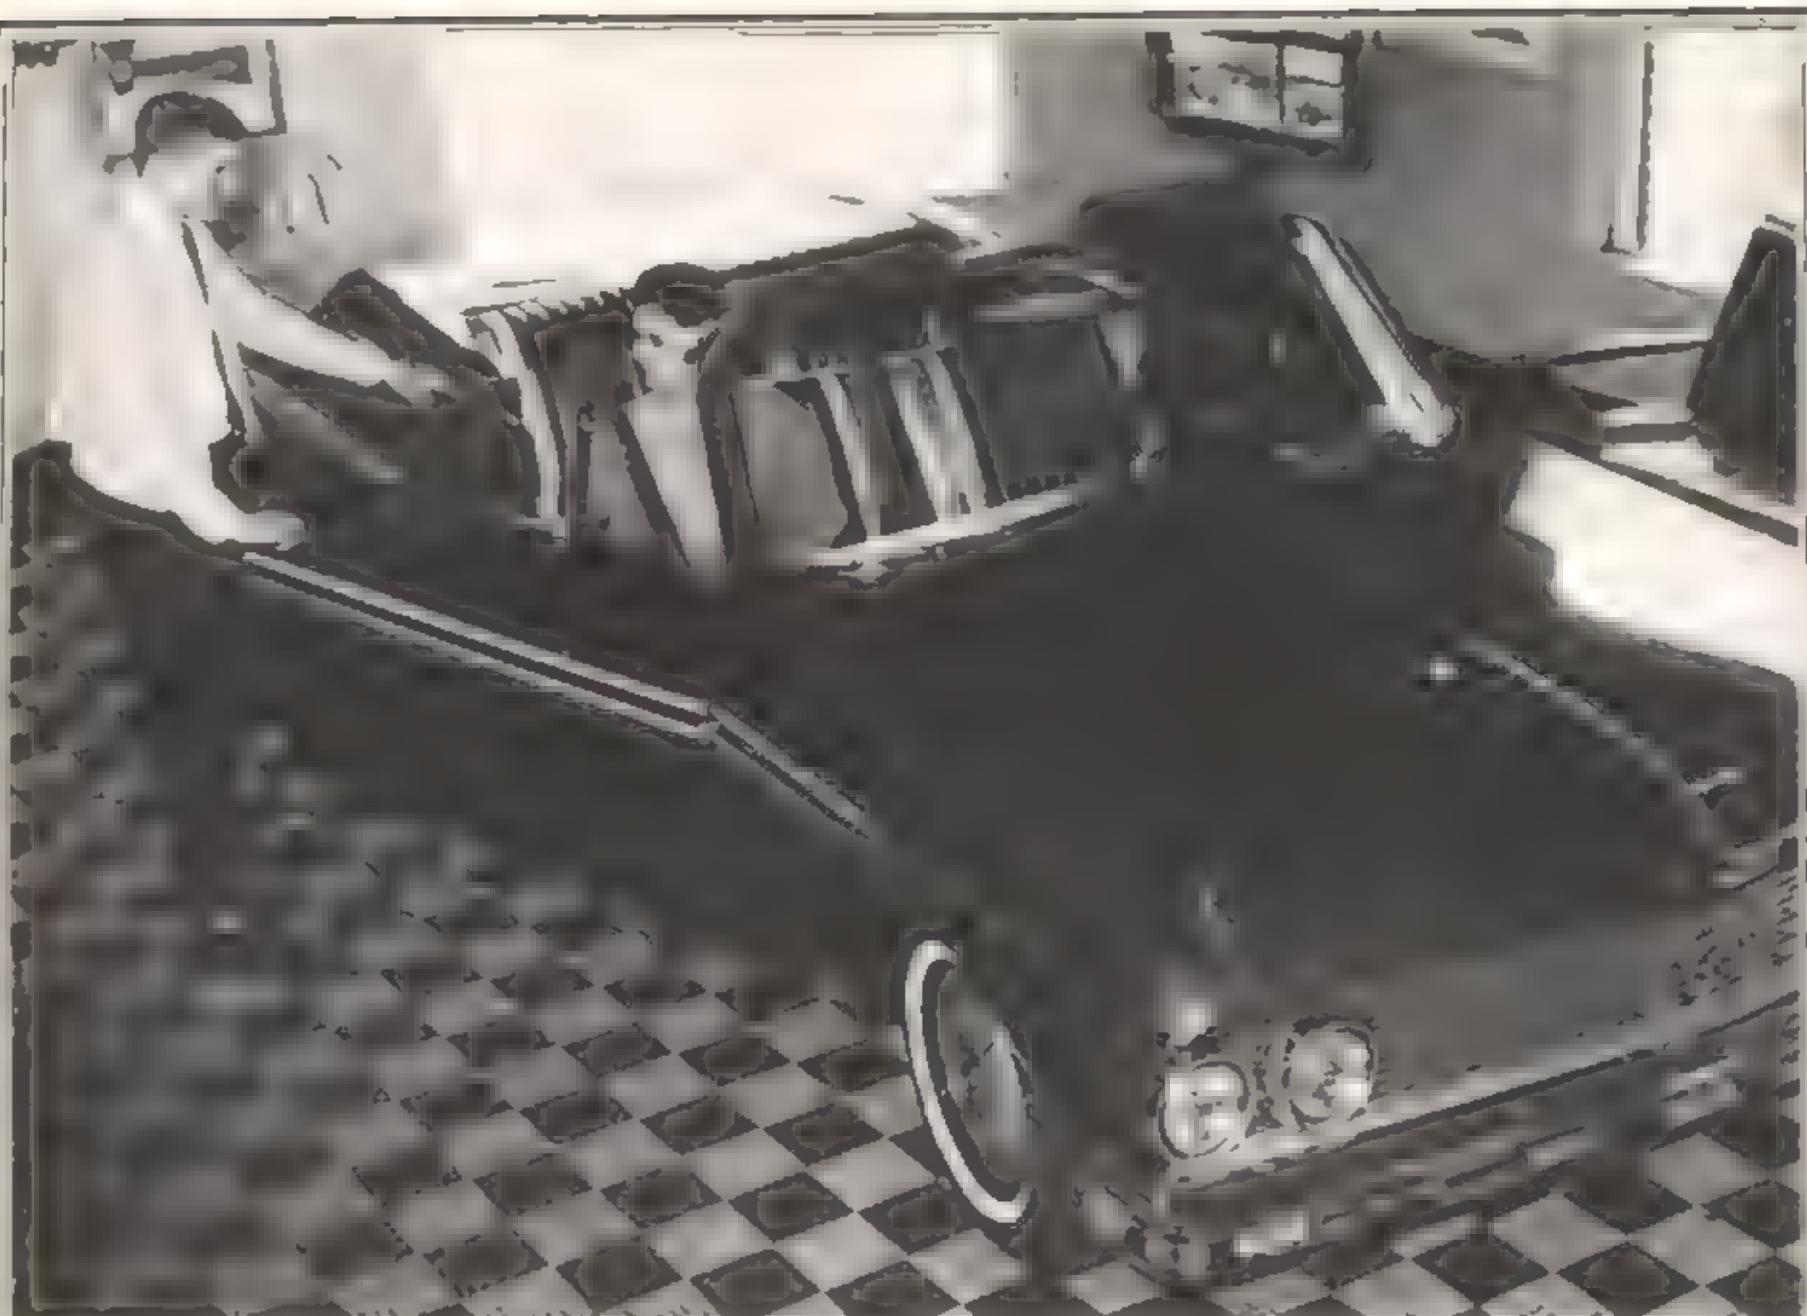

In 1899, the first car equipped with Timken® bearings took to the road. Today, every American make of car but one rolls on Timken tapered roller bearings.

And there's a new kind of bearing in today's power cars. It's the latest step in Timken bearing engineers' drawing board to drawing board partnership with the auto industry. It's a smaller, lighter bearing to cut unsprung weight. A more uniformly precise bearing to cut warranty costs. Capacity packed to take the heavier loads of today's luxury cars. These bearings are made of the finest bearing quality alloy steel available. And we know steel. We've been in the steel business for 45 years. In fact, we've developed and manufactured steel for the transmissions and other vital parts in many of today's cars. Furthermore, Timken removable rock bits are helping to build America's highways for America's automobiles.

Timken Company employees have an important part in the success and progress of the automotive industry. In keeping millions of cars, trucks and buses rolling trouble-free, in giving you economical, carefree driving, mile after mile after mile.

## **THE LAST WORD**

For the past eight months the annual staff has been compiling the vast amount of material that goes into a yearbook. The end has finally been reached, and as we now look back over the weeks of work, we feel that our time and effort have been worthwhile.

Our special thanks go to our adviser, Mrs. Martha Hammack, whose understanding and past experience with yearbook editing proved to be an invaluable aid to our staff.

Our gratitude also goes to Mr. Joseph Deorio, Jr. and Mr. Richard Hoffman of the Consolidated Graphic Arts. They have worked closely with the staff in planning the layout and have solved many of our problems.

Mr. Walter D. Troup, Mr. George Engle, and Mr. William Stoetzer are the men responsible for the fine pictures in the annual. Their work is greatly appreciated. Thanks also to our student photographers, Ken Raleigh and Win Cooper, who were trained by Mr. George Engle.

Throughout the 1962 Viking, we have used the writing talents of many students. Credit goes to Pam Marrell and Dave Travis for their outstanding poetic contributions used in the feature story.

We, the Viking staff, sincerely hope this 1962 edition will add one more volume to your storehouse of memories.

The Viking Staff
